PREVIOUS TEACHING EXPERIENCE

Worked as a Lecturer in Dept. Of Psychology, University of Delhi from Sept. 1996 to Sept. 1999, taking Post- Graduate and M.Phil classes in Developmental Psychology, Psychology of Self, and Research methods in Psychology. I also guided research thesis and supervised field work/ practicals and research projects

RESEARCH EXPERIENCE

Working (Ongoing) on a Project funded by Indian Institute of Human Settlements, Bangalore titled 'Teachers Negotiating Professional Agency: A study of the B.El.Ed Programme'. Principal Investigator for the component- Impact of Self Development on Developing Teachers'. The project uses narrative research and focused group discussions to research the self-developmental trajectories of B.El.Ed Alumni, current students, and faculty associated with the Self developmental components in the programme. Total value of the project Rs. 25, 39,000. Total funding of component on Impact of Self development on Developing Teachers:- 7,97,000/.

- Worked as a principal investigator on an innovative project funded by University of Delhi, Delhi (2013-2015) with two more faculty members and 10 students from the department of Elementary education. The project was titled: *"To deepen philosophical understanding of the practices in ecological living: A multidisciplinary Approach"*. As a part of the project we worked on making the college more eco-friendly, attempted to create two 'green schools', prepared a resource book titled 'Green Activities for primary school children: A resource book' and a multi-media teaching resource titled: "Listening to the Planet". The aim was to help primary school teachers to use these resources in their classes and help students take individual initiative to actively create 'green schools'.

- Doctoral thesis awarded(Aug,2012) for the topic '*Sri Aurobindo's Discourse on Human Development: A Metapsychological Study*' under the supervision of Dr. Suneet Varma and Prof. Girishwar Misra, Dept. of Psychology, University of Delhi, Delhi.
- Dissertation as partial fulfillment of M.Sc. Programme. Topic: *Maternal Satisfaction: Consequences for the child*. The study explored the relationship between various aspects of perceived maternal satisfaction (e.g., management of emotions, time, support systems and finance) and the socio-emotional behavioural adjustment of preschoolers, attending day school.
- Dissertation as partial fulfillment of B.A. (Hons.) Program Topic: *Teachers of Hearing Impaired: Some Perspectives*. The study was an exploration of creativity and self-actualization in special educators from various schools for hearing impaired children in Delhi.
- Worked as Junior Project Fellow at Dept. Of Educational Psychology and Foundation of Education, NCERT, New Delhi, on the project titled '*Schooling in Mirambika-A Case Study*'. The duration of fellowship was from 20th October 1995 to 30th April 1996. The project involved participant observation in a progressive, innovative school based on the educational philosophy of Sri Aurobindo and the Mother. The project also involved in-depth interviews, construction of opened-ended schedules, qualitative analysis of data and writing of reports.
