From Chairperson's Desk

As Gargi College embarks on its 60th year of distinguished service, I extend my sincere congratulations to the Principal, faculty members, students, and staff on achieving this remarkable milestone. On the occasion of the Annual Day, it gives me immense pleasure to acknowledge the honour bestowed upon the College through the issuance of a commemorative stamp by India Post, celebrating the rich legacy and contributions of this esteemed institution.

It is heartening to note the active participation of the College in Mission Karmayogi Bharat. The institution continues to demonstrate unwavering dedication to academic excellence, character building, and meaningful contributions to society. Over the decades, the College has nurtured generations of scholars, scientists, civil servants, artists, athletes, and professionals who have excelled in their chosen fields while upholding the institution's values and legacy.

The successful implementation of the National Education Policy 2020 reflects the College's vision and preparedness for transformative change in higher education. It is inspiring to witness how the institution continues to respond proactively to emerging paradigms of research, innovation, and interdisciplinary learning. Flagship programmes in Diagnostic Laboratory Techniques and Cyber Security, introduced in collaboration with Dr Lal PathLabs Ltd. for joint certification are notable examples of the College's commitment to skill development, employability, and value addition.

The faculty's sustained engagement in research, seminars, workshops, Faculty Development Programmes, and international collaborations further enriches the academic environment. At the same time, the strengthening of modern infrastructure through initiatives such as Saksham – The Skill Development Centre and Udyamodya Gargi – An Innovation & Entrepreneurship Centre, along with enhanced research facilities, reflects a clear commitment to providing students and educators with world-class opportunities and resources.

The College's emphasis extends well beyond academics. Students actively participate in sports, cultural pursuits, literary activities, debating, and a wide range of creative endeavours. Their achievements at national and international levels are a testament to the institution's commitment to nurturing well-rounded individuals endowed with knowledge, leadership, creativity, and social responsibility.

The vibrant alum network remains one of the College's greatest strengths. The accomplishments of former students continue to inspire present generations and significantly contribute to the institution's growth and aspirations.

As Gargi College steps into another year of promise, progress, and achievement, I convey my warmest wishes to the entire College community. May the institution continue to uphold its rich traditions while forging new pathways of excellence, innovation, and service to society.

Best Wishes
Sr. Prof. Pankaj Gupta

From Treasurer's Desk

As Gargi College steps into its 60th year, I extend warm congratulations to the Principal, our dedicated faculty, students, and staff for reaching this significant milestone. Over six decades, the college has nurtured young women in an environment that balances academic excellence with holistic development.

As Treasurer, I am pleased to highlight that Gargi has prioritized the optimal use of financial resources to support this vision. This year, key investments were directed towards upgrading laboratories, state of the art computer labs enhancing digital infrastructure, and implementing eco-friendly initiatives such as solar-powered systems, reinforcing our commitment to sustainability and modern learning.

The college continues to encourage research, innovation, and intellectual curiosity, with financial support for faculty research, seminars, webinars, workshops and trainings organized in science and humanities. Sarthak – The Principal's Internship Scheme (PIS), launched in 2025–26, offers mentored on-campus experiential learning in academic, administrative, and outreach roles, aligned with the National Education Policy 2020.

Beyond academics, a substantial portion of the budget has been dedicated to cultural and literary activities through societies, clubs, and committees, helping students develop leadership, creativity, and teamwork. Core values such as inclusivity, gender equity, environmental sensitivity, sustainability, and social responsibility guide how we allocate resources and design programmes.

On this occasion, it gives me great pleasure to acknowledge the recognition awarded to Gargi College as one of the distinguished colleges of Delhi, in the form of a commemorative stamp dedicated to the institution's rich legacy by Indian Post. As Gargi begins another year of promise and progress, I extend my warmest wishes to every member of our college community, confident that we will continue to build on our cherished traditions while striving for greater excellence and innovation.

Best Wishes
Prof. (Dr.) Jagreet Kaur

From Principal's Desk

Esteemed Guests - Ms. Manisha Sinha & Dr. Pratishta Pandey, Honourable Members of the Governing Body, including our current Chairperson, Prof. Swati Saha, our previous Chairperson, Prof. Pankaj Gupta, and our Treasurer, Prof. Jagreet Kaur. A warm welcome to our respected Superannuated Teachers and superannuated non teaching staff, dedicated Faculty and non teaching staff, our Brilliant Students, Distinguished Alumni, Proud Parents and guests.

It is my distinct privilege to welcome you to the Annual Day of Gargi College for the academic year 2025-26.

Our college takes forward the legacy of Gargi Vachaknavi, a philosopher of the 7th Century BCE. Her fearless insight, divergent thinking, and relentless ability to question, set the standard for the academic culture we build today. We operate on the conviction that education must be an ethos of care, where inclusivity is a lived reality and service is a core component of learning. For nearly six decades, this philosophy has guided our commitment to women's empowerment and societal progress.

The academic year 2025-26 has been a period of profound institutional recognition on the national stage. I am pleased to highlight several of our most significant accomplishments.

Our legacy was prominently recognised this year when India Post released a special miniature sheet containing four commemorative postage stamps celebrating Delhi's distinguished women's colleges. We are honoured by the gracious presence of Ms. Manisha Sinha from the Department of Posts on this occasion. The inclusion of Gargi College in this series is far more than ink on paper. It is a powerful testament to our unwavering commitment to quality education and stands as a symbol of every woman who has dared to learn, lead, and grow here. It is dedicated to all its prestigious stakeholders who have shaped its journey from a humble background to its present eminence.

We are equally honoured to have Dr. Pratishta Pandey, Advisor and Head R & D Infra. and National Supercomputing Mission, DST, Ministry of Science and Technology with us.

We had various momentous occasions of pride this year. These include felicitation of Padma Shri Dr Meenakshi Jain, Member of Parliament in the Rajya Sabha, renowned historian, and a former faculty member of our Department of History, in recognition of her exemplary academic contributions.

इसके अतिरिक्त, राष्ट्रीय एकता के प्रति हमारी प्रतिबद्धता को अगस्त 2025 में औपचारिक रूप से मान्यता प्राप्त हुई। गार्गी कॉलेज को हिंदी उत्कृष्टता के लिए भारत सरकार की राजपत्र सूची में शीर्ष स्थान प्राप्त हुआ, जो इस तथ्य पर आधारित है कि हमारे अस्सी प्रतिशत से अधिक कर्मचारियों ने भाषा का कार्यसाधक ज्ञान प्राप्त कर लिया है। यह हम सब के लिए गौरव की बात है।

National Institutional Ranking Framework (NIRF)

Underpinning all these achievements is our consistent academic standing, proudly maintaining our position as the thirty-third ranked institution in the country under the National Institutional Ranking Framework- 2025.

International Felicitation

Our college received International Felicitation and Appreciation, by the 46th World Management Congress 2025, Sponsored by International Association of Educators for World Peace for “**Best College for holistic students development**”, for outstanding, prominent and remarkable contribution of the principal which I was honoured to receive.

Internal Quality Assurance Cell (IQAC), Gargi College

True education extends beyond the syllabus. This year, the Internal Quality Assurance Cell (IQAC) launched several structural initiatives to drive practical learning and employability. It is my privilege to present a brief overview of the initiatives and achievements of the Internal Quality Assurance Cell (IQAC), Gargi College, for the academic year 2025–26.

During the year, IQAC continued to play a pivotal role in fostering institutional quality, innovation, and holistic development. Through a wide spectrum of initiatives aligned with the vision of NEP 2020, the Cell strengthened the culture of excellence in teaching–learning, student empowerment, skill development, and shared governance.

The establishment of Saksham – The Skill Development Centre and Udhmodya Gargi – The Innovation & Entrepreneurship Centre marked a significant step towards promoting employability, entrepreneurship, and industry-oriented learning. The inauguration of the Saksham laboratory further created a dedicated space for hands-on training and capacity-building.

A major highlight of the year was the introduction of the Nivedita Summer Internship Programme (NSIP), jointly organised by IQAC and Saksham, which launched for the first time to provide meaningful academic engagement during the summer break to both internal and external students. Held from June 18 to July 18, 2025 the programme was a tribute to our alumna Late Ms. Nivedita, and aimed to foster interdisciplinary learning, research aptitude, and professional readiness among undergraduate students. We offered 22 diverse modules— from Computational Chemistry and Astronomical Data Analysis to Sustainable Business Models and Psychological Interventions. There were 104 student participants from 11 institutes and 22 faculty mentors. Further, 20 EWS students were supported with fee waivers.

IQAC spearheaded several flagship programmes, including certificate courses in Diagnostic Laboratory Techniques—strengthened through collaboration with Dr Lal PathLabs Ltd.—and Cyber Security.

A range of workshops and training sessions, such as the cyber awareness programme “CTRL + ALT + DEFEND: Your Cyber Survival Guide,” the MS-Excel Certificate Course conducted in collaboration with Samarth Bharat, the AI workshop with IBM certification, and the Brahmi Script workshop, equipped students with diverse and contemporary skill sets. The Entrepreneurship Conclave and the recognition of a student startup at IIT Jammu further underscored the institution’s growing focus on innovation and enterprise.

The launch of Sarthak – The Principal’s Internship Scheme created valuable opportunities for skills development and student participation in institutional processes. Student interns actively contributed to campus initiatives, documentation, and event management, thereby strengthening the ethos of collaborative governance and leadership.

IQAC also advanced its commitment to holistic well-being and interdisciplinary engagement through initiatives such as the observance of International Yoga Day, the Nivedita Lecture Series, and awareness programmes on health, hygiene, sustainability, and Indian Knowledge Systems. Outreach efforts, including the community engagement programme “Threads of Tomorrow: Weaving Creativity and Care,” reflected a strong emphasis on social responsibility, empathy, and value-based learning.

In the area of capacity-building, IQAC organised training programmes under Mission Karmayogi Bharat for both teaching and non-teaching staff, reinforcing professional development, service ethics, and institutional accountability.

Collectively, these initiatives have enriched the academic environment, strengthened institutional processes, and expanded meaningful opportunities for students and staff alike. They reflect IQAC’s sustained commitment to fostering a culture of quality, inclusivity, innovation, and social engagement.

Research and Development Cell (RDC)

RDC felicitated 27 faculty members for publishing research and review papers in Scopus and Web of Science indexed journals on 15th October, 2025.

Implementation for NEP 2020

RDC along with RCC formulated Standard operating procedures for smooth implementation of undergraduate research of 4th year students. Further an amount of Rs 6000/- per student was proposed to be allocated towards research expenditure of 4th year students, which has now been implemented. Several of our fourth-year students have presented both oral and poster papers at various national and international conferences as part of their dissertation and research work. Fifteen fourth-year students showcased their work at the Undergraduate Research and Entrepreneurship Exhibition (UGREE) organized by the University of Delhi, where one student was recognized with an Outstanding Award.

Indian Knowledge System Centre

I am happy to share that on October 13th, 2025, Gargi College inaugurated Pragyanam: The Centre for the Study of Indian Knowledge Systems, emphasising on the revival of the indigenous intellectual traditions. The Centre engages in Critical engagement with Western narratives to embrace modernity while staying rooted in cultural foundations.

Memorandums of Understanding MOUs

Gargi College is committed to fostering holistic education by integrating academic learning with practical exposure and professional development. In line with this vision, the college actively collaborates with reputed organizations, institutions, industry partners and experts through Memorandums of Understanding (MoUs) to provide students with meaningful internship opportunities, skill development, research exposure and real-world experience. The college signed nine MOUs with various organizations or individuals which are from Psychology experts, to e-waste collection, Lal Pathlabs and HEFA etc.

Conferences/Workshops/FDPs

Throughout the academic year, the college successfully organised 4 conferences, 11 seminars, and 9 workshops. In addition, the institution also organized 2 Faculty Development Programmes (FDPs), 1 Refresher Course (RC), and 1 Skill Enrichment Course (SEC). These events provide a vital platform for academic enrichment, fostering critical dialogue, continuous skill enhancement, and the interdisciplinary exchange of ideas between our students, faculty, and industry experts. The college hosted several notable externally funded conferences and courses.

A Refresher Course was held from 15th September 2025 to 29th September 2025 with the collaboration of Hansraj College -MHMMTTC.

Faculty Awards & Achievements

Patent: Dr. Rashmi Saini, Associate Professor, Department of Zoology has been granted a Design Patent (Design No. 390729-001). The Patented design relates to “Bordeaux Paste Ready Apparatus” for anti-fungal treatment.

The achievements of our faculty and their participation in various conferences serve as a testament to their commitment to continuous learning and academic rigour. This year, our educators have been recognised on global platforms through prestigious international fellowships and have received 11 awards for excellence in education, healthcare, and environmental leadership. Our faculty also secured 6 Best Poster and 1 oral Presentation awards at national and international conferences, covering fields from Artificial Intelligence to Green Chemistry.

Faculty have been involved actively as resource persons, delivered invited talks, trainers, session chair, panellists, poster presenters showcasing their intellect and research outputs at various platforms.

Our faculty members have been part of the syllabus framing of the NEP of different courses. Many of our faculty members are supervising more than 500 fourth year dissertations and many have presented oral and poster presentations in various conferences as well as have publications in Scopus indexed journals with these students as well. Our faculty published more than 50 publications during 2025-26.

Screening for Promotions of Faculty Members

- A total of 69 applications were screened for promotions. The number of candidates promoted to professor level were 4, Associate professors were 09, Assistant Professors (AL10-AL11) were 49.

Felicitations

- The college felicitate our superannuated faculty Dr. Bimla Dhar, Department of English for thirty years of compassionate service and quiet strength that transformed lives in our community. We also felicitate Dr. Indu Sidhwani (Department of Chemistry) and Dr Geeta Kichlu (Department of Commerce), the superannuated teachers for their scholarly work post retirement.

Students-Academic Award

- Our students continue to reach the highest levels of academic achievement. This year, they secured a total of 21 positions within the University and South Campus. At the University level, our students achieved 2 first positions, 3 second positions, and 1 third position. Within the South Campus rankings, they earned 6 first positions, 3 second position, and 2 third positions. These statistics reflect the rigorous scholarship and dedication found throughout our college.
- A total of 91 academic awards and 19 co-scholastic awards will be presented to undergraduate students on this Annual Day 2026. Winners of 5 Path finder projects will also be awarded.

Pathfinder Awards

- In addition, we have been successfully conducting Pathfinder Awards for more than fifteen years where students from Humanities, Commerce and Sciences conceive, conceptualize, and create impactful projects that shape communities. This year, the outstanding projects across the streams were on the various topics:
- Synthesis, characterization and evaluation of antibacterial properties of chitosan based materials for medical textiles
- A Study on Teachers' Perceptions of Artificial Intelligence in Fostering Inclusive and Sustainable Education
- Influencer Effects on Gen Z Beauty Choices
- Digital Finance Adoption
- Consumer Influence and Cancel Culture

Scholarships/Fellowships

- A total of 46 students received the PMSSS scholarship, while 129 students benefited from Post-Matric and other scholarships.

Alumnae Shining

Many alumnae secured jobs in prestigious places. Three of our alumnae cleared the UPSC examination.

Performing Societies

Our campus remains a vibrant hub of cultural and holistic activities. The year culminated in our spectacular Annual Cultural Festival, Reverie 2026, centered on the theme “कलाVerse: Exhibitions, Workshops and Fostering Creativity”.

This two-day festival brought together cultures, histories, and contemporary expressions within one inclusive space, featuring enthusiastic participation from our 19 societies.

Our cultural societies demonstrated absolute dominance across inter-college events: Quizzito secured 11 first prizes, Nazaakat Indian Dance Society secured 4, Enliven claimed 7, Hues won 5 first prizes, अनुभूति 4 प्रथम स्थान, Glass Eye secured 3 first positions, Kshitij secured 2 first positions, QED 6 first positions and Upstage 1 first position.

Value Building Societies

Finally, our students continue to drive meaningful change through our Value Building Societies, Ananda, Avni, enactus, equal opportunity cell, Gandhi study circle, izhar, NCC, NSS, placement cell, QED, Saksham, Samarth, Sameeksha, Udhmodaya, Unmukti, Weegyanam. Samarth, our Enabling Unit, successfully spearheaded initiatives like Project Buddy and Project Raah to provide internship opportunities and foster a culture of empathy for Persons with Disabilities.

Our NCC cadets showcased exceptional dedication, and the National Service Scheme (NSS) continued its remarkable commitment to social service and community engagement.

All our departmental and society activities have provided comprehensive learnings to the students which we all are proud of. A number of outreach activities, visits, expert talks are held from time to time.

Library Report

The library organized four programs: “Exchange of Knowledge and Lights”, Freshers’ Orientation, a nine-day E-Resources Workshop, and a three-day “Pass it On” initiative with Eco Club and TOKO, engaging approx. 3,150 users over fourteen days. The collection added 439 books, with 79,172 student visits and approx. 3,74, 277 books consulted. Implementation of RFID (Radio Frequency Identification) technology was also initiated.

Infrastructure Roundup

The new academic block has been comprehensively equipped to enhance both learning and research environments. A total of 115 computers were installed in the computer labs, providing ample resources for students and faculty to engage in academic and technical work. Additionally, wooden desks were placed in all rooms, ensuring a comfortable and organized workspace.

Seminar halls have been upgraded with projectors and air conditioners, facilitating effective presentations and a conducive atmosphere for discussions and lectures. The installation of CCTV cameras throughout the block enhances security, while two LED screens in the computer labs support interactive learning and information display.

Specialized facilities have also been established to promote innovation and research, exemplified by the setup of the Saksham lab, which is dedicated to fostering research activities.

Connectivity has been prioritized with the full implementation of Wi-Fi services provided by Delhi University (My DU), ensuring seamless internet access. Together, these improvements reflect a significant investment in infrastructure aimed at creating a modern, secure, and well-equipped academic environment that supports both educational and research excellence.

Sports Roundup

Gargi College promotes holistic development through sports and physical activities. The college participated in 9 official Delhi University Inter-College tournaments (Athletics, Basketball, Chess, Cricket, Judo, Tennis, Volleyball, Shooting, and Wrestling) along with 38 other DU, and state-level competitions. It secured DU Championship titles in Cricket, Judo, and Volleyball, 3rd position in Athletics, and 4th position in Chess and Tennis. A total of 122 students participated in 47 tournaments, with the college securing positions in 31.

In team events, Gargi won 18 Gold, 7 Silver, and 6 Bronze medals, while in individual events, it achieved 49 Gold, 42 Silver, and 27 Bronze medals across state, national, and university-level competitions. The college produced 28 state-level medalists, 28 national-level players, and 15 North-Zone/All India Inter-University representatives across 7 sports disciplines, along with one international-level Judo player who represented India in three international tournaments.

The department also organized a record-breaking 36 events for approximately 2,373 participants, including students, teaching, and non-teaching staff.

Environmental Initiatives

Gargi College takes pride in implementing various environmental centric initiatives such as e-waste collection and safe disposal, rain water harvesting, wet waste to composting, segregation of plastic waste and its disposal to name a few.

On 5th June 2025, World Environment Day, Gargi College received the Zero Waste Campus Award. The award was presented to the principal, faculty members, as well as student and teacher representatives from AVNI – The Eco Club.

Gargi College and the team were awarded the memento and certificate of appreciation for the significant contribution for the implementation of the project SORT as a CSR initiative of Swaran Motherson in association with IPCA. The housekeeping staff and gardeners were trained for handling the wet waste and we are in the continuous process of producing compost as well as plastic waste segregation and sending it for recycling.

Media Cell

Approximately 230 events and major achievements of Gargi fraternity have been reported by the media cell in the 3 official social media platforms from April 2025 to April 2026. This year we also have our presence on LinkedIn.

As we celebrate the achievements of the past year, Gargi College remains steadfast in its commitment to advancing it as a centre of excellence—nurturing competent, responsible, and socially conscious individuals who are well-prepared to meet the challenges of a dynamic world and contribute meaningfully to society.

The progress we celebrate today is the result of the collective brilliance and tireless dedication of our entire community. As we carry forward the proud legacy of Gargi College, we remain determined in our mission to empower our students to be confident leaders, bold thinkers, and compassionate innovators for a self-reliant India.

My heartfelt appreciation to each and every member of the Gargi family and heartiest congratulations to awardees on their achievement.

Thank you, and I wish you all a joyous and memorable Annual Day celebration.

A Historical Milestone of Commemorative Postal Stamp

A tribute to excellence, empowerment, and education

India Post released a special miniature sheet containing 4 commemorative postage stamps celebrating Delhi's leading women's colleges, institutions that have nurtured generations of confident leaders, bold thinkers, and changemakers. Gargi College has been featured in this commemorative postage stamp series issued by the Department of Posts, Government of India – recognising distinguished women's colleges in Delhi.

This recognition is a testament to nearly six decades of unwavering commitment to quality education and women's empowerment. This stamp is not just ink on paper, it is a symbol of every woman who dared to learn, lead and grow within these walls.

We extend our heartfelt gratitude to:

- The Department of Posts, GoI for this esteemed recognition
- Our founder members and Governing Body
- Every Principal, faculty member and non teaching staff who shaped this institution
- Our alumnae and students, the living legacy of Gargi
- Our funding agencies, parents & supporters
- The University of Delhi for its steadfast support

We carry this legacy forward with pride and purpose.

Felicitations of Padma Shri Dr. Meenakshi Jain

On 16th September 2025, Gargi College, University of Delhi, had the proud privilege of felicitating Padma Shri Dr. Meenakshi Jain, MP Rajya Sabha, renowned historian, author, and former faculty of the Department of History, in recognition of her exemplary academic contributions and inspiring professional journey.

The felicitations ceremony was organised under the guidance of Prof. Sangeeta Bhatia, Principal, Gargi College, and graced by the presence of Prof. Rajni Abbi, Director, South Campus, University of Delhi, along with Prof. Pankaj Gupta and Prof. Jagreet Kaur, Chairperson and Treasurer of the Governing Body. Faculty, non-teaching staff, students, and a large number of superannuated teachers joined the occasion, making it a memorable celebration of scholarship and legacy.

In her address, Prof. Sangeeta Bhatia congratulated Dr. Jain on this prestigious national honour and expressed pride in celebrating the accomplishments of a former faculty member whose work continues to inspire generations of students and scholars.

Dr. Jain in her remarks, reflected on her journey as a scholar and educator, sharing insights from her extensive research and deep association with Gargi College. The event was a moment of pride and inspiration for the Gargi fraternity, honouring Dr. Jain's achievements while also reaffirming the institution's enduring bond with its academic heritage.

राजभाषा उत्कृष्टता में गार्गी महाविद्यालय की उपलब्धि

भारत सरकार के राज्यपत्र में हाल ही (अगस्त 2025) में प्रकाशित सूची में गार्गी महाविद्यालय सबसे ऊपर स्थान पर रहा है। इस सूची में वे संस्थान शामिल हैं, जहाँ 80% से अधिक कर्मचारियों ने कार्यसाधक ज्ञान अर्जित किया है।

यह उपलब्धि सिर्फ हमारे संस्थान का गौरव नहीं है, बल्कि हम सबकी सामूहिक मेहनत, प्रतिबद्धता और सहयोग का परिणाम है। इस उपलब्धि के पीछे हमारी प्राचार्या, प्रोफ़ेसर संगीता भाटिया का कुशल मार्गदर्शन और प्रेरणादायी नेतृत्व रहा है, जिसने हमें सही दिशा और संबल दिया।

साथ ही राजभाषा कार्यान्वयन समिति की निरंतर सक्रियता और हमारे सभी गैर-शैक्षणिक कर्मचारियों का समर्पण अभूतपूर्व रहा, जिन्होंने पूरे मनोयोग और लगन के साथ इस लक्ष्य को हासिल करने में महत्वपूर्ण भूमिका निभाई।

Internal Quality Assurance Cell (IQAC)

Academic Year 2025–26

Coordinator: Prof. Shashi Chawla

Members: Prof. Geeta Siddharth, Prof. Anjni Anand, Dr. Shatarupa Sinha,
Dr. Aneeta Rajendran, Prof. Manju Khosla, Dr. Geeta Saini,
Dr. Geeta Prakash, & Dr. Madhu Yashpal

During the academic year 2025–26, the Internal Quality Assurance Cell (IQAC), Gargi College, continued to play a central role in promoting institutional quality, innovation, skill development, participatory governance, and holistic education. The year was marked by several significant skill, entrepreneurship, and wellness-based initiatives undertaken directly by IQAC and under its aegis in collaboration with departments, centres, and student bodies, reflecting the college's commitment to excellence in teaching–learning, student empowerment, interdisciplinary engagement, and capacity-building in alignment with the vision of NEP 2020.

Beginning May 2025, IQAC introduced, for the first time, the **Nivedita Summer Internship Programme (NSIP)** during the summer break, open to both internal and external students. Key milestones of the year included the establishment of Saksham – **The Skill Development Centre and Udhmodya Gargi** – An Innovation & Entrepreneurship Centre, aimed at promoting industry-oriented, employability-focused learning. The **Saksham laboratory** was inaugurated on November 17, 2025 creating a dedicated space for skill training.

Flagship programmes in **Diagnostic Laboratory Techniques and Cyber Security** were launched, with the former strengthened through an MoU with **Dr Lal Path Labs Ltd.** for joint certification. Saksham conducted the cyber awareness session “CTRL + ALT + DEFEND: Your Cyber Survival Guide” (October 16, 2025) the MS-Excel Certificate Course in collaboration with Samarth Bharat (October–November 2025), and a workshop on Documentation of Rituals and Practices as Intangible Cultural Heritage (ICH) (January 30, 2026). It also co-organised a hands-on Learning AI Workshop with IBM Certification (February 17, 2026), attended by over 100 students. A three-day workshop on **“Introduction to Brahmī Script: Reading, Writing and Transcription”** is also being organised on April 16-18, 2026.

Further strengthening its focus on innovation and entrepreneurship, the Department of Commerce, in collaboration with Udhmodya Gargi, successfully organised the Entrepreneurship Conclave on March 13, 2026. The Centre also mentored two students from the Department of Microbiology, whose startup idea earned recognition with an award at IIT Jammu. All these initiatives have significantly enhanced students' exposure to contemporary, industry-relevant skills and professional pathways.

Internal Quality Assurance Cell (IQAC)

Another notable initiative was the launch of **Sarthak – The Principal’s Internship Scheme**, a flagship IQAC programme designed to foster experiential learning, student leadership, and participatory governance. In its first year, six student interns were selected through a formal process and engaged in a range of institutional activities, including green campus initiatives, awareness campaigns, event coordination, and documentation support for IQAC, RDC, and NIRF. Their active involvement in major college events under IQAC provided meaningful exposure to institutional processes and strengthened the collaborative culture of the college.

Aligned with its best practice in holistic wellness, IQAC also marked **International Yoga Day** on June 21, 2025 under the aegis of the Department of Physical Education and Sports Sciences. Promoting interdisciplinary and socially relevant engagement, IQAC, in collaboration with Weज्ञानम् – The Interdisciplinary Research Wing, launched the **Nivedita Lecture Series**, with its inaugural lecture on “Hormones, Gender & Reproductive Health” by Prof. Rita Singh on September 24, 2025.

On the same occasion, in collaboration with The Right Side Story and partners Whisper, Venus, and Gillette, a women’s hygiene product distribution drive reached 1,200 beneficiaries. To create awareness, IQAC also organised a quiz and a talk on “PRANA & PRAKRITI: Incorporation of Ancient Knowledge in Modern Health” on February 25, 2026.

IQAC supported environmentally responsible and socially relevant initiatives through its collaboration with the Department of Microbiology, which organised the awareness talk “**Think Before You Throw: E-Waste to Eco-Wise**” on November 3, 2025. The programme focused on the hidden dangers of electronic waste and practical measures for responsible disposal, reinforcing the institution’s commitment to sustainability and civic responsibility.

IQAC further enriched campus life through initiatives integrating health, heritage, innovation, sustainability, and career development. These included the National Workshop on “The Indian Knowledge System: Integrated Methods for Researching Ritual Practices” under an **ICSSR-funded project**, and academic events under **MATHEMA**, including “Solve & Strike” and a seminar on cybersecurity careers. Collectively, these initiatives strengthened the institution’s culture of quality, inclusivity, innovation, and holistic development, while creating meaningful opportunities for students and staff to engage with emerging knowledge systems, contemporary skills, and socially relevant learning.

In the area of staff development, IQAC organised a one-day Cascading Training under RK-LSJSP UGC on March 30, 2026 as part of **Mission Karmayogi Bharat**, with Dr. Sonali Chitalkar, Associate Professor, Miranda House, University of Delhi, serving as Master Trainer. The programme reinforced service ethics, institutional responsibility, and role-based capacity-building among teaching and non-teaching staff. Additionally, a **Training Programme for Non-Teaching Staff** was conducted on April 9, 2026 under the same initiative, with Dr. Nidhi Subash Chandra, Assistant Professor, Ram Lal Anand College, University of Delhi, as Master Trainer, further strengthening institutional capacity-building and professional development.

Overall, these initiatives underscore IQAC’s sustained commitment to fostering quality, innovation, inclusivity, and holistic institutional development.

Internal Quality Assurance Cell (IQAC)

The Department of Philosophy, Gargi College, successfully conducted a Community Outreach Programme, **Threads of Tomorrow: Weaving Creativity and Care**, in collaboration with Prayas Juvenile Aid Centre (JAC) Society and Welfare Home for Children. The aim of this initiative was to engage with children in their own settings and address their needs through mindful and creative interaction.

The programme had two main objectives:

Day 1: Teaching craft skills and assisting in fundraising efforts for the festive season at the juvenile centre.

Day 2: Raising awareness among young children about concepts such as 'good touch and bad touch' and promoting a cracker-free Diwali through engaging skits and songs.

Around 40+ participants benefited each day, including the children and their caretakers. The experience proved to be both enriching and enjoyable. On Day 1, the children of varying age range (pre-teens and teens) took part in hands-on candle and diya painting activities, equipping them with creative skills for the future. On Day 2, the kids of ages 6 years and below learned important life lessons in a memorable and engaging manner. For the volunteers, it was a deeply moving, fun, and fulfilling experience that allowed them to connect with the children through meaningful activities and heartfelt interactions.

Additionally, a two-day donation drive was conducted by the students of the department for the orphanage, as per their specific needs for stationery and festive items. The receipt for the same has been duly attached along with the permission letter for the entire programme as approved by the Principal and geo-tagged pictures from the programme.

National Institutional Ranking Framework (NIRF)

Nodal Officer: Dr. Beena Negi

NIRF Committee Members: Prof. Vandna Luthra, Dr. Uttara Dutta, Dr. Smriti Sharma, Dr. Nisha Saini, Dr. Salma Khan, Dr. Kirti Tyagi, Dr. Simranjeet Kaur, Dr. Rinki Gour, Dr. Babita Gaur, Mr. Deepak Chandra (Administrative Officer) & Mr. Jitender

The National Institutional Ranking Framework (NIRF), introduced by the Ministry of Education, evaluates higher educational institutions across India based on well-defined parameters. Each year, only the top 100 colleges in the college category are ranked. Gargi College has consistently secured a position among the top colleges in India, reflecting its strong academic performance and institutional excellence. In 2025, Gargi College (IR-C-C-6429) was **ranked 33rd** under the NIRF framework. The NIRF ranking is based on performance across five key parameters: Teaching, Learning & Resources (TLR), Research & Professional Practice (RP), Graduation Outcomes (GO), Outreach & Inclusivity (OI) and Perception (PR). For the upcoming NIRF 2026 rankings, Gargi College successfully submitted all required data in March 2026, with the active support, cooperation and commitment of all stakeholders, including teaching staff, non-teaching staff, and students under the leadership and vision of Prof. Vandna Luthra.

Memorandum of Understanding (MOU)

Gargi College is committed to fostering holistic education by integrating academic learning with practical exposure and professional development. In line with this vision, the college actively collaborates with reputed organizations, institutions, industry partners and experts through Memorandums of Understanding (MoUs) to provide students with meaningful internship opportunities, skill development, research exposure and real-world experience.

MOU with Mind Meadow

Gargi College has collaborated with Mind Meadow through a formal MoU to provide valuable internship opportunities to its students. Mind Meadow is a progressive mental health and psychological wellness organization committed to promoting holistic emotional well-being. It offers a wide range of services including individual counseling, group therapy, psychological assessments, and psychoeducation, with a strong emphasis on evidence-based approaches such as Cognitive Behavioral Therapy (CBT), mindfulness-based interventions, and trauma-informed care.

In addition to its clinical services, Mind Meadow actively works in the areas of mental health awareness, outreach programs, and community engagement, aiming to reduce stigma and make psychological support more accessible. It also functions as a dynamic training and research platform for aspiring psychologists, counselors, and mental health professionals by providing structured mentorship, supervision, and skill-based learning opportunities.

Through this partnership, students gain hands-on experience in counseling skills, research work, case understanding, and content development, while engaging in real-world projects under professional supervision. The internship fosters critical competencies such as ethical practice, empathy, communication, teamwork, and discipline. It not only strengthens students' academic foundation but also enhances their professional exposure, confidence, and overall career readiness in the field of psychology.

MOU with Clinical Psychologist Dr. Archana Sharma

Gargi College has also collaborated with Dr. Archana Sharma to provide valuable internship opportunities for students in the field of clinical psychology and mental health. Dr. Archana Sharma is an experienced Clinical Psychologist and Psychotherapist, registered with the Rehabilitation Council of India (RCI), with over two decades of experience in working with children, adolescents, adults, couples, and families. She provides evidence-based psychological services including individual therapy, child and adolescent counseling, relationship counseling, and psychological assessments, addressing concerns such as anxiety, depression, OCD, ADHD, stress, and emotional regulation. Through this internship, students gain hands-on exposure to therapeutic practices, case understanding, and client interaction under professional guidance. The experience helps them develop clinical skills, ethical understanding, and practical knowledge, thereby strengthening their academic foundation and preparing them for future careers in psychology .

MOU with Ascend-PsyCare

Gargi College has collaborated with Ascend-PsyCare through a formal MoU to provide valuable internship opportunities to its students. Ascend-PsyCare (APC) is a New Delhi-based behavioural health and psychological innovation organization, recognized as a registered MSME and ISO-certified institution. It focuses on delivering high-quality mental health services, particularly in Cognitive Behavioral Therapy (CBT), while also serving as a training and research hub for aspiring psychologists and counselors. Through this partnership, students gain practical exposure in areas such as counseling skills, research work, and content development, while working on real-world projects under professional supervision. The internship helps students build essential skills like teamwork, discipline, and ethical practice, while also enhancing their academic learning, professional networks, and overall career readiness .

MOU with Proactive Foundation

Gargi College has collaborated with Proactive Foundation through an MoU to provide internship opportunities to students in the field of special education and developmental support. Proactive Foundation is a multidisciplinary action foundation that offers services such as early intervention, occupational therapy, special education, play therapy, and speech & language therapy. It works with individuals dealing with autism, ADHD, learning disabilities, intellectual disabilities, and developmental delays. Through this internship, students gain hands-on experience by interacting with children, observing therapeutic interventions, and understanding individualized care approaches. The program helps students develop practical skills, empathy, and professional competence while bridging theoretical knowledge with real-life application in inclusive and clinical settings.

MoU with Dr Lal PathLabs Ltd

Memorandum of Understanding (MoU) with Dr Lal PathLabs Ltd to provide industry-aligned training, internships, and joint certifications in Laboratory Diagnostics Course through Skill Development Centre, Saksham. the MoU with LalPath Labs Limited was signed on 11 September 2025.

MOU with HEFA

On 9 April 2025, MOU was signed with HEFA, for a project which is undertaken by Dr. Himani Chauhan as PI. The Memorandum of Understanding (MOU) is a Corporate Social Responsibility (CSR) agreement between Higher Education Financing Agency (HEFA) and Gargi College.

MOU with M/s Shiv Shakti

Gargi College (University of Delhi) entered into a Service Agreement with M/s Shiv Shakti Metals on 13 October 2025 for the safe and authorized management of e-waste, hazardous waste, and other recyclable scrap generated by the college. The collaboration reflects the college's commitment to sustainable practices, environmental responsibility, and proper waste management through authorized and eco-friendly channels.

Research and Development Cell (RDC)

RDC felicitated 27 faculty members for publishing research/review papers in Scopus/WoS indexed journals on 15th October, 2025. The total number of Scopus /Web of Science indexed publications were 32 this year (academic year 2024-25).

RDC along with RCC formulated Standard operating procedures for smooth implementation of undergraduate research of 4th year students. Further an amount of 6000/- per student was proposed to be allocated towards research expenditure of 4th year students, which has now been implemented.

Promotions

A total of 69 applications were screened for promotions. Number of candidates promoted to professor level were 4, Associate professor were 09, Assistant Professors (AL10-AL11) were 49. The entire process of screening of applications and conducting promotion interviews was completed within 6 months of receiving applications.

Integrating Green Chemistry into Academia and Industry for Sustainable Development

Date: November 10–11, 2025

Department of Chemistry

Conveners: Dr. Uttara Dutta and Dr. Beena Negi

Co-Conveners: Dr. Salma Khan and Dr. Niyati Singh

The Department of Chemistry, Gargi College, University of Delhi, successfully organized a Two-Day National Conference on “Integrating Green Chemistry into Academia and Industry for Sustainable Development” on November 10–11, 2025 funded by **Anusandhan National Research Foundation (ANRF)**.

The Welcome Address was delivered by Professor Sangeeta Bhatia, Former Principal, Gargi College, who emphasized the importance of sustainability-driven research and education. The Inaugural session was graced by the Chief Guest, Prof. (Col.) Diwan S. Rawat (Hon'ble Vice Chancellor, Kumaun University), and the Guest of Honour, Dr. Neelima Alam, Scientist F and Associate Head, CEST Division, DST. Their addresses highlighted policy perspectives, academic research, and national priorities in green chemistry. The Conference Proceedings were formally released during the inaugural session by the esteemed dignitaries on the dais.

The Technical Session I was conducted under the chairpersonship of Prof. Renu Agarwal and Dr. Sushmita Chowdhury. The session featured a keynote address by Prof. Satya Narayan Naik (IIT Delhi) and an invited lecture by Prof. Bimlesh Lochab (Shiv Nadar University), focusing on sustainable chemical technologies and green synthetic methodologies. Technical Session II was chaired by Dr. Keya Banerjee. Invited lectures were delivered by Dr. Mohan Prasad (Walter Bushnell) and Prof. Indrajit Roy (University of Delhi), providing valuable insights into green chemistry applications in industry and nanomedical sciences.

The second day began with Technical Session III, chaired by Dr. B. Vaijyanthi and Dr. Chandana Mukherjee. The session included invited lectures by Prof. Ram Singh (DTU) and Dr. Yogendra Saxena, who discussed sustainability, corporate responsibility, and the role of green chemistry in technological innovation. On day two of the conference a Hands-on Workshop on Sustainable Perfumery was conducted by Mr. Shakti Vinay Shukla, Director, Fragrance & Flavour Development Centre, Kannauj. The workshop was highly interactive and provided participants with practical exposure to sustainable practices in fragrance chemistry. Post-lunch sessions were dedicated to Oral and Digital Poster Presentations.

The conference concluded with the Valedictory Session, chaired by Dr. Anita Chugh, and attended by Professor Sangeeta Bhatia, Former Principal, faculty members, judges, invited speakers, and participants. The session featured an invited lecture by Dr. Atul Agarwal, Chief Quality Control Manager and Technical Head (Quality Control), Guwahati Refinery, IOCL. The prizes were distributed by Professor Sangeeta Bhatia, Principal, and Dr. Uttara Dutta, Convener. The American Chemical Society (ACS) generously sponsored four prizes in the form of annual premium membership for Best Oral Presentation and Best Poster Presentation for Faculty/Industry Professional/Research Scholar. In addition, the Five Best Poster Presentations (UG/PG Students) were awarded a cash prize and certificate each. Overall, the conference witnessed enthusiastic participation and successfully fostered collaboration, dialogue, and knowledge exchange between academia and industry, reinforcing the pivotal role of green chemistry in sustainable development.

International CESI Conference

International Comparative Education Society of India (CESI) Conference

Date: December 5-7, 2025

Department of Education

Convenor: Dr Monica Gupta

Co-Convenor: Dr Aparna Joshi

Organizing Committee Members: Dr. Shailly, Dr. Edna Esther Kerketta
and Dr. Chandra Tiwari

Department of Education, Gargi College, along with Miranda House and IHE, hosted the 15th International Comparative Education Society of India (CESI) Conference on 5th-7th December. The inaugural ceremony began with lamp lighting and the felicitation of dignitaries. Prof. Vandana Luthra, Acting Principal of Gargi College, shared that this was Gargi's second CESI participation after 2014 and highlighted the value of such conferences in building academic dialogue. Speakers introduced CESI's work and the theme connecting education, democracy, and the public sphere. The Keynote address by renowned political scientist formerly with JNU, Prof. Gurpreet Mahajan, focused on democratic virtues and education, critiquing the dominance of technical rationality and underscoring the need for critical thinking and meaningful socialization in educational institutions.

The second day of the 15th Annual International CESI Conference included multiple panel discussions and paper presentations on themes related to education, democracy, and the public sphere. Faculty members from the Gargi College B.El.Ed Department played an active role throughout the day. They chaired several sessions and also presented their research papers, contributing valuable insights to the academic discussions. All sessions were well-organised and proceeded smoothly. The day provided a strong platform for meaningful dialogue, collaborative learning, and exchange of ideas among scholars, teachers, and researchers.

Day 3 of the 15th Annual International CESI Conference featured an engaging presentation by Dr. Jyoti Raina from Gargi College titled "Rethinking Student Teacher Research in B.El.Ed: A Collaborative Self-Study by Teacher Educators." The department's alumni Ria Dhamija, Shivangi Verma and Samriddhi Shrivastva presented papers at this conference. The Valedictory Address was delivered by eminent economist of education from JNU, Prof. Soumen Chattopadhyay, who critically examined higher education within the changing political economy and the production of neoliberal subjectivities. Prof. Varghese, Distinguished Visiting Professor, IIT Bombay, chaired the session and reflected on historical and contemporary challenges in higher education.

Conclusion: The 15th CESI Conference provided a rich platform for critical dialogue on education's role in sustaining democratic public life. Through keynote lectures, plenaries, and parallel sessions, the conference fostered meaningful engagement with pressing educational concerns and reaffirmed CESI's commitment to inclusive, reflective, and socially responsive educational scholarship.

Trendwaves: Young Minds, Big Market Moves

Date: October 14, 2025

Department of Commerce

Conveners: Ms. Chitra Kheria and Dr. Payal Jain

The Commerce Association, Gargi College, University of Delhi, organised Cascade 2025 under the theme “Trendwaves: Young Minds, Big Market Moves”, on October 14, 2025. The event provided insights into evolving market trends, consumer behaviour, innovation, and youth-led business perspectives. The session brought together industry experts, academicians, and students to discuss how emerging trends influence brand strategy, leadership, and entrepreneurship. Approximately 200 students participated, including undergraduate students from commerce and allied disciplines with keen interest in marketing, innovation, and entrepreneurship.

The panel discussion from 10:30 a.m. to 12:00 p.m. was moderated by Dr. Payal Jain, Assistant Professor, Department of Commerce, Gargi College. Panelists included Ms. Renu Bisht, Founder & CEO, Commercify360 and Founder, Datum Intell; Mr. Shudhit Chugh, Co-Founder at Stylestry & Bargad; and Mr. Sahil Puri, Ex Chief of Staff at Nothing. The speakers shared valuable insights on marketing strategies, leadership skills, changing consumer behaviour, and the importance of adaptability in a dynamic business environment. They emphasized how young minds can leverage creativity and analytical thinking to identify opportunities and build impactful ventures. The interactive session provided students with an opportunity to engage directly with industry experts, discuss career pathways, and understand emerging business trends.

The event also included two inter-college competitions. Markitrect – Building Brands from Market Trends, and Inventraze – Innovating Ventures Through Youth Trends. They encouraged participants to analyse emerging consumer trends and design innovative brand strategies, and challenged students to transform viral trends into viable business ideas through creative problem-solving and live presentations.

Cascade 2025 provided students with a platform to enhance strategic thinking, creativity, and leadership skills required in the evolving business landscape. The event concluded with an engaging interaction with the audience followed by a Vote of Thanks, expressing gratitude to the speakers, participants, and organisers for their valuable contribution in making the event a success.

Seminar

Inclusive Physical Education: Embracing Diversity, Uniqueness and Collaboration

Department of Education in collaboration with Department of Physical Education

Date: November 20, 2025

Conveners: Ms. Sailaja Modem, Dr. Monica Gupta & Dr. Aparna Joshi

Members: Ms. Anuradha Wadehra Kumar, Dr. Shailly

Departments of Education & Physical Education, Gargi College, collaborated to host the Annual Seminar, Saanjha Safar on 20/11/25. A mosaic of activities organised on Inclusive Physical Education: Embracing Diversity, Uniqueness and Collaboration.

It involved a mosaic of related academic activities which started with a 3 hr field based physical education workshop, followed by a panel discussion on the 'best practices' by School Leaders and theme-based presentations by B El Ed students in various art forms including, theatre and story telling. Students celebrated the day by organising field games, floor games and kindled the magic of childhood times.

The flow of the day started with a workshop on physical education conducted by Mr. Hira Das from Mother's International School, Delhi. It is based on action songs, games without equipment for large groups & relay activities with Hula hoops, cones, plastic TT bats, balls & markers which are available in most educational institutions. It is an exemplary exercise session for promoting physical activity through fun and team building exercises with maximum number of students as opposed to individual excellence & trophy-centric based practices generally promoted in educational institutions neglecting the vast majority.

Promotion of physical education in educational institutions encourages not only appreciation of physical movement for staying healthy, strong, and fit, but also to help experience the added benefits of building mental resilience, reducing anxiety, and sharpening our focus. In the 'best practices' session, panel discussants highlighted their institutional practices in schools along with ways of documenting the progress of children. Panel discussion is chaired by Dr. Rakesh Kumar.

In recent years, modern Physical Education research has emphasized the importance of inclusivity so that every learner, regardless of gender, ability, or body shape, has meaningful access to it. Inclusive physical education embraces diversity in learners and promises holistic development that nurtures empathy, compassion, cooperation, and both physical and mental well-being. Student presentations highlighted these aspects in various artistic forms. A play on inclusion and empathy moved the audience. Another story performed based on the narration of a 3rd B El Ed student made the audience contemplative.

The Department of Education also organized a book stall by publisher Ektara specifically focused on children's literature which became an annual feature and looked forward to by many.

The students of the Department of Physical Education and Sports Sciences organised a 'Health Mela' and through this activity. Students brought healthy ingredients and prepared nutritious meals on the spot and it was a judged event and highly appreciated by staff and students.

7 invited experts, 241 students from Gargi College participated in the seminar which included Gargi College B El Ed students, Department of Physical Education students, teaching and non-teaching of Gargi College & JMC B El Ed students. The Department of Education and Department Association, a student elected body funded the one day event.

Takeaway: The seminar provided new, simple ways of engaging people with simple physical movements along with music to students and gave confidence to try such mobility based activities with children in schools. The vision behind such work was explained in the panel discussion by invited experts. Creative expressive activities along with the childhood games inspired students to use reflexive and cultural knowledge.

International Seminar

A Tryst with Travel: Historical and Literary Perspectives

Date: February 4-5, 2026

Department of English and Department of History

Convenors: Nzanmongi Jasmine Patton and Dr. Deeksha Bhardwaj

Gargi College's Departments of History and English jointly organised the international seminar, "A Tryst with Travel: Historical and Literary Perspectives," on February 4-5, 2026 in the Seminar Hall.

Day 1 opened with an inaugural session featuring Mr. M. P. Bezbaruah, former Secretary, Ministry of Tourism, Government of India, who traced the evolution of tourism and travel from the Roman Empire through the Silk and Spice Routes to contemporary ideas of sustainable tourism framed around "People, Planet, and Prosperity." Prof. Madhavan Palat, noted historian of the modern world, reflected on the ideological foundations of travel and its role in shaping historical consciousness.

The inaugural session was followed by a panel discussion moderated by Prof. Bortamuly (Department of English, Daulat Ram College). Prof. Maya Joshi (Department of English, Lady Shri Ram College) examined Rahul Sankrityayan's travel writing as an archive of intellectual and cultural mobility. Dr. Shweta Sachdeva Jha (Department of History, Lady Shri Ram College) spoke on the mobility and performative presence of tawaifs, while Prof. Shwetanshu Bhushan (Department of History, Lady Shri Ram College) discussed women travellers of Rajasthan to highlight negotiations between tradition and change. Prof. Yogesh Snehi (School of Liberal Studies, Dr. B. R. Ambedkar University Delhi) explored the sacred geography of Guru Nanak and the shaping of religious travel narratives through hagiography. The post-lunch sessions (Technical Sessions I and II) featured paper presentations, and the day concluded with high tea.

Day 2 focused on conservation, travel, and heritage, with sessions led by Ratish Nanda, Project Director at the Aga Khan Trust for Culture, and Dr. Mahesh Gopalan (department of history, St Stephen's College), chaired by performance artist and storyteller Nadeem Shah Sohrevardi. The post-lunch Technical Sessions III and IV brought together papers addressing themes of othering, gender, migration, displacement, and disability within travel writing. The seminar as a whole offered rich interdisciplinary perspectives on travel, mobility, and representation across historical and literary frameworks. The seminar concluded with an evocative valedictory address by Prof. Ananya Vajpeyi, Fellow, Centre for the Study of Developing Societies.

Research Readiness Workshop on Research Ethics, Academic Integrity and Research Tools

Date: November 12-14, 2025

Convenors: Ms. Chitra Kheria and Dr. Payal Jain

The Department of Commerce, Gargi College, in collaboration with the Research and Development Cell (RDC), successfully organised a two-day Research Readiness Workshop aimed at strengthening students' understanding of ethical scholarship and research practices. The workshop focused on building a strong foundation in academic writing, research ethics, and the use of research tools essential for higher education. The workshop was attended by around 120+ students from the Department of Commerce. The composition primarily included undergraduate students aiming to enhance their research aptitude, academic writing skills, and understanding of research tools and ethics.

The first session was conducted by Dr. Payal Jain, Assistant Professor, Department of Commerce, Gargi College, who highlighted the importance of academic integrity, ethical research practices, and originality in scholarly work. Students were introduced to the concept of plagiarism, its implications, and the need for maintaining transparency and authenticity in academic submissions. The session emphasized responsible research conduct and the role of ethical practices in building credible academic work.

The second session was conducted by Dr. Vibhash Kumar from the Faculty of Management, South Asian University. The session focused on introducing students to essential research tools and methodologies. Students were provided practical exposure to platforms such as Zotero, Google Scholar, and Turnitin, enabling them to organise references, access scholarly literature, and ensure originality in their work. The interactive demonstrations enhanced students' understanding of research processes and academic writing techniques. The workshop provided a meaningful learning experience, encouraging students to approach research with responsibility, analytical thinking, and methodological rigor. The sessions concluded with an interactive discussion, making the workshop informative and engaging for all participants.

Scintillations 2026: Where Science Came Alive!

Date: February 28, 2026

Convener: Prof. Vandna Luthra

Co-Conveners: Dr. Nisha Saini and Dr. Niyati Singh

Scintillations 2026: Where Science Came Alive!

A reviving event "Scintillations" to motivate students for higher education and women empowerment was initiated and accomplished by our Principal on the National Science Day 2026 with all the science and mathematics departments of the college. The day began with an inspiring welcome by Principal Prof. Vandna Luthra to acknowledge the remarkable contributions of C. V. Raman, whose discovery of the Raman Effect laid the foundation for celebrating National Science Day in India. Prof. Ajoy Ghatak a distinguished physicist known for his significant contributions to optics and quantum mechanics took us through Einstein's, $E = mc^2$ and explained its significance in understanding energy transformations in the universe, using the Sun as an example where mass is continuously converted into energy. He also referred to the ancient centres of learning such as Nalanda University and described how scientific progress declined during certain historical periods due to social and religious influences. Prof. Alok C. Bharti delivered a powerful lecture on cancer prevention "Beat cancer before it hits: The prevention playbook for cancer-free future". He also discussed the role of biological agents like the Human Papillomavirus (HPV) and highlighted the current nationwide drive in India to use the Gardasil vaccine to eliminate cervical cancer by 2030.

The Scintillations 2026 exhibition, themed "Demonstration of Experimental Skills," by all the science and mathematics departments served as a comprehensive platform for students to translate theoretical classroom concepts into tangible, interactive experiments.

Microbiology – Milk pasteurization, Blood grouping

Chemistry – Herbal cosmetics, Photochemical reactions

Botany – Plant respiration, Cytoplasmic streaming

Physics – Newton's rings, Laser diffraction

Mathematics – Pricing engines, Shortest path algorithms

Life Sciences – Food adulteration tests

Zoology – Fingerprinting, Hair scale casting

Competitive events like Sherlock's Secret Sequence, Murder Mystery & Mayhem, Plant Detective, Atomverse, Paper Alchemy, Circuit Symphony, and Fun in Lab turned science into thrilling challenges. We also paid tribute to India's scientific giants through the documentary "The Quantum Indians", this movie report the life and achievements of Satyendra Nath Bose, Sir C.V. Raman, and Meghnad Saha, who are collectively called the Quantum Indians.

Pathfinder Awards

Pathfinder Award (Commerce)

Convenor (Teacher): Dr. Manju Sahai

Faculty Advisors: Prof. (Dr.) Sonali Ahuja Dua, Prof. Romita Popli,
Prof. Manju Khosla, Dr. Anjali Siwal, Dr. Namita Aggarwal

Convenor (Student): Swati Choudhary, B.Com. (Hons) III Year

The Pathfinder Competition 2025–26, organized by the Department of Commerce, Gargi College, was held on 2nd April 2026 to showcase and evaluate research projects in the domain of commerce and allied subjects. The event aimed to encourage analytical thinking, research aptitude, and presentation skills among students.

The competition was judged by Dr. Jyoti Dhawan and Prof. Sheetal Kapoor, faculty members from Kamala Nehru College, University of Delhi. Their valuable insights and constructive feedback greatly enriched the learning experience for all participants.

The judges appreciated the efforts of all participating teams and noted that the participants had delved deeply into their respective topics, demonstrated strong research orientation, and presented their findings with clarity and confidence. The use of relevant data, contemporary examples, and well-structured analysis was particularly commendable.

Pathfinder Awards

Pathfinder Award (Humanities)

Convenor: Dr. Tanjot Singh

The Pathfinder Committee (Humanities) successfully conducted its final project presentations for the academic year 2025–2026 on 7th April 2026. The theme for this year, “Artificial Intelligence and Human Futures: Ethical and Social Contexts,” encouraged students to engage with contemporary and thought-provoking issues. A total of ten project submissions were received during the initial round of abstract presentations, which served as a platform for all participants rather than a shortlisting stage. In the final round, six groups presented their work. The students demonstrated confidence and clarity while presenting on diverse topics aligned with the theme. Each presentation was followed by a question-and-answer session, where teams thoughtfully addressed insightful queries from the judges.

The event was graced by two esteemed judges: Dr. Vidhu Jain, Assistant Professor, Department of Philosophy, Daulat Ram College, University of Delhi, and Dr. Moggallan Bharti Singh, Assistant Professor, School of Development Studies, Dr. B.R. Ambedkar University, Delhi. Their valuable insights and constructive feedback greatly enriched the learning experience for all participants.

Professor Vandna Luthra

Professor in Physics 1-04-25 to 30-11-25 and then Principal (Acting) Gargi College w.e.f. 1-12-25.

Principal investigator of a project from National Academy of Sciences (India) Science Society grant until 30 Nov 2025 and organized a range of activities for the faculty and students.

Delivered an Invited talk on Quantum Composer and Qiskit on 11th May 2025 organized virtually by ISAMP (Indian Society of Atomic and Molecular Physics).

Gargi College and the team comprising of Prof. Vandna Luthra along with other members and nonteaching staff was awarded the memento and certificate of appreciation for the significant contribution for the implementation of the project SORT as a CSR initiative of Swaran Motherson in association with IPCA.

Bestowed with the Zero Waste Campus Award for outstanding contribution in the areas of waste management training, advocacy and training on World Environment Day by Indian Institute of Ecology and Environment, New Delhi and International Association for Educators and World Peace on 5th June 2025. The award was bestowed on the Principal, faculty members and students.

Certificate of appreciation for Training Program on Computer- Interfaced Science Experiments using Expeyes for being a resource person and delivering a talk in one week Teacher training program conducted by Inter University Accelerator Centre during 5-10 May 2025. Interfacing ExpEYES with Python. Talk on sensors using ExpEYES on 5th May 2025 and a talk and Lab session on ExpEYES using Python on 7th May.

Resource person for SCERT CPD workshops for professional competencies of DoE- GNCT Delhi Teachers held at Lajpat Nagar KPVV on 23 June 2025 providing Hands-on experience for various interfacing experiments.

Make-Your-LED- DIYA workshop was organized and a guiding session was provided as coordinator under NASI Science Society Project in association with the Physics department. The event aimed to combine festive joy with scientific curiosity by training students in the working mechanism of Light Emitting Diodes (LEDs), soldering techniques, and creative assembly of LEDs on recyclable materials.

Acted as a resource person and trained a group of teachers from across different parts of the country on Interfacing ExpEYES with Python at Inter University held on 8th October 2025 and also delivered an Invited talk on Quantum Computing on 9th October 2025.

BA (Programme)

Teacher-In -Charge: Rajkumari Smejita Devi

Society: Navdrishti Association

Conveners: Rajkumari Smejita Devi

Co-Convenor: Dr. Mohit Abrol

Navdrishti Association, the BA Programme Department of Gargi College, held its inaugural seminar on “Gender Sensitisation in Educational Institutions” on 4 November 2025. Dr. Alok Sharma delivered the keynote address, in which she discussed at length the often-overlooked role of women in shaping scriptures, as well as the evolution of key legal frameworks for the protection of women. Other speakers at the event included Dr. Mudita Mohile, Dr. Maya John, and Ms. Amrita Thakur, who spoke on the importance of promoting awareness and equality through gender sensitisation across various aspects of society. A poster-making competition and an open mic session were also conducted in association with the event, providing students with a platform for creative expression. Mr. Sahin Shah and Ms. Puja Kumari served as judges for the competitions, which saw active participation from the student community. Additionally, the department conducted an online quiz through its Instagram handle to further promote awareness on the topic.

A series of academic and career guidance sessions titled “Navdisha” was launched to address common academic, professional, and personal concerns among students. The initiative operates through collaborations with various college societies, departments, and senior mentors. The first session of Navdisha, held on 28 January 2026, focused on the advantages and implications of pursuing an additional year in the bachelor’s programme, as introduced under the National Education Policy (NEP). The discussion aimed to dispel confusion surrounding the policy and facilitated interaction with senior students currently pursuing their fourth year. The series is ongoing and continues to serve as a valuable platform for informed dialogue and peer learning. The annual seminar of the department, held in April on the theme “India in Transition: Society, State & Self,” focuses on the dynamic nature of Indian society and the profound transformations in its social structures, institutions, and value systems over time. The seminar aims to encourage students to critically reflect on contemporary transformations and their own role in India’s evolving democratic and social landscape. A seminar on Gender Sensitization in Educational Institutions was held on 4th November 2025, featuring Prof. Alok Sharma, Dr. Maya John, Ms. Amrita Thakur, and Sunita Thakur. Additionally, the annual seminar Aaroham 2026, themed “India in Transition,” took place on 7th April 2026, with Mr. Yatin Bhaskar Duggal, National Head of the Vikshit Bharat Leadership Council, as the speaker.

Department of Physical Education and Sports Sciences

Teacher-In-Charge: Dr. Rakesh Kumar

The Department of Physical Education and Sports Sciences serves as a vital platform that engages all sections of the college community, including various departments, staff, general students, and sportspersons. The primary objective was to promote a culture of health, fitness, and holistic well-being by encouraging active lifestyles, fostering teamwork, and nurturing sporting excellence across the institution. The Department in association with the Morarji Desai National Institute of Yoga, Ministry of AYUSH, Government of India, and under the aegis of IQAC, successfully organized the 11th International Yoga Day on 21st June 2025. This year's theme, "Yoga for One Earth, One Health," emphasized yoga's role in promoting holistic well-being and harmony with nature.

Fitness is one of the most important aspects for all sportspersons in the Gargi sports family. As per the annual practice, the Department begins its session with a Fitness Camp for all sportspersons as well as general students of the college. This year, a total of 74 students from various major sports registered for the 13-day Fitness Camp.

On 22nd August 2025, the Department successfully organized the Sports Orientation Programme 'Aagaman' 2025-26 for the newly admitted students under the sports quota. For this academic session, a total of 38 students secured admission through the sports category in various undergraduate courses across disciplines: Athletics (5), Basketball (5), Chess (3), Cricket (8), Judo (8), Tennis (2), and Volleyball (7).

The Department organized a One Day Seminar on the occasion of National Sports Day on 28th August 2025. The theme of the seminar was "Traditional Sports in India", highlighting the importance of indigenous games and their relevance in today's fitness-oriented lifestyle. The Chief Guest of the day was Mr. Bhanu Sachdeva, an Arjuna Awardee and International Swimmer, who inspired the gathering with his words of motivation. The event also featured Dr. Gaurav Kumar, Assistant Professor, Hansraj College, as Guest of honour. The programme commenced with the traditional lamp lighting ceremony, symbolizing knowledge and wisdom, followed by two enriching sessions by the distinguished guests. Prof. Sangeeta Bhatia, Principal, graced the occasion along with faculty members and members of the Sports Committee. The seminar witnessed the enthusiastic participation of 140 students, who actively engaged in the discussions.

The Department in collaboration with the Students' Sports Council, celebrated Teachers' Day on 4th September 2025. The objective of the celebration was to provide an opportunity, following the sports orientation programme, for team mentors to interact with their respective team members and foster a strong bond of respect and camaraderie. All eight coaches representing various sports, including Aerobics, Athletics, Basketball, Chess, Cricket, Judo, Tennis, Volleyball, Wrestling, and Yoga, were invited to the event. A total of 48 students attended the programme.

Gargi Olympiad, an Inter-Stream Championship, provided an opportunity for all three streams—Science, Humanities, and Commerce—to compete against each other in various indigenous sports. The scoring system awarded 5 points to the winning team, 3 points to the runner-up team, and 2 points to the third-place team.

The objective of the Gargi Olympiad is to provide a platform for general students to showcase their talents in indigenous and minor sporting activities, promoting inclusivity, sportsmanship, and overall physical well-being.

The Department organized a 'Health Mela' for the GE paper Lifestyle Management through Physical Education (Semester V). In this activity, students brought healthy ingredients and prepared nutritious meals on the spot in front of the judges. The idea for the event emerged when it was observed that many students created similar diet charts due to the limited food options available in hostels. To encourage creativity and practical learning, the Health Mela was introduced. The first batch, comprising 86 students from Humanities and Commerce, was evaluated by Dr. Neena (Zoology), Dr. Geeta Saini (Chemistry), and Dr. Indra Mani (Microbiology) on 18th November 2025. The second batch included 98 students from Science, who were evaluated by Prof. Manju Khosla (Commerce), Dr. Geeta Saini, and Dr. Tripti (Chemistry) on 20th November 2026.

The Department organized the STEP-REDEEM Challenge for the teaching and non-teaching staff of the college. Participants were required to achieve a target of 1,50,000 steps within one month, from 5th January to 5th February 2026. The challenge also aimed to motivate staff members by allowing them to redeem their daily steps for discounts on selected healthy drink items at the college Nescafé. For instance, 5,000 steps equated to a ₹5 discount, 10,000 steps to ₹10, and so on.

As part of the pre-Sports Day activities, the Department organized a series of sporting events for both teaching and non-teaching staff, in male and female categories, with the aim of promoting participation, fitness, and team spirit. The first event, a volleyball match between the Administrative Staff and Laboratory Staff, followed by an obstacle race for non-teaching female staff on 3rd February 2026, with enthusiastic participation from 13 members. On 4th February 2026, a throw-ball match was organized for the teaching staff, in which 15 faculty members actively participated. Lastly, a cricket match for the Non-Teaching Staff (Men) was held on 9th February 2026 between Office XI and Lab XI, where Office XI secured a convincing victory.

The Department of Education collaborated with the Department of Physical Education and Sports Sciences to organize their annual seminar, "Saanjha Safar," on 20th November 2026. The seminar was centered around the theme "Inclusive Physical Education: Embracing Diversity, Uniqueness, and Collaboration," and featured a rich mosaic of academic and activity-based engagements. In another collaborative initiative, the National Service Scheme (NSS), in association with the Department of Physical Education, organized a "Run for Swadeshi" on 21st January 2026, marking the occasion of National Youth Day.

The Department in collaboration with the Student Sports Council, successfully organized the College Annual Sports Day SPIN'26 on 12th February 2026 with the theme "Jajba – Unity and Inclusivity." The event was graced by Ravi Dahiya, Olympic Medallist and international wrestler, as the Chief Guest. The Guests of Honour were Joby Mathew, Indian Para-athlete World Arm Wrestling Champion, and Ms. Babita Negi, Gargi Alumna. Mr. Lalit Kumar Watts from the Petroleum Sports Promotion Board attended as the Special Guest. The day commenced with an impressive Inter-Department March-Past Competition, where for the first time 20 departments, along with Teaching and Non-Teaching Staff, showcased remarkable discipline and unity.

Department of Physics

Teacher-In-Charge: Dr. Munish

Society: QUASAR

Conveners: Dr. Pragati Sharma and Ms. Jyoti

The Physics Department of Gargi College experienced a productive and intellectually enriching academic session, characterized by a wide range of curricular and co-curricular activities aimed at fostering academic excellence and holistic student development. Students participated enthusiastically in the celebration of **National Space Day**, through informative and interactive activities, discussions on space science to encourage and enhance their scientific temper.

On 15th October 2025, the society conducted a hands-on workshop titled “**Make Your LED Diya**” under the aegis of NASI (Delhi Chapter). This unique initiative seamlessly blended science with festivity, enabling students to gain practical knowledge of LEDs, soldering techniques, and sustainable assembly using recyclable materials. Guided by the Physics Faculty, Prof. Vandna Luthera (Acting Principal), Dr. Munish (TIC), Dr. Deepti Laheri, and Dr. Pragati Sharma (Convener), the NASI Project Team, and senior student mentors, the workshop successfully promoted innovation, creativity, and environmental consciousness. The session commenced with the **Inaugural Lecture** on “Why Empty Space Is Never Empty: Measuring Zero Point Energy and Vacuum Fluctuations” held on 30 January, delivered by Dr. Sugam Kumar, Senior Scientist at IUAC, whose address provided valuable insights into contemporary developments in Quantum Physics and inspired students towards research oriented learning. The occasion was also graced by Prof. Vandana Luthra, whose motivating words inspired the audience.

Quasar also **organized an interactive session in collaboration with the Placement Cell**, conducted on 18 March 2026 with Professor R K Brojen Singh, Dean SCIS, JNU, and Dr. Gajendra P Singh, SCIS, JNU, which facilitated meaningful discussions and broadened interdisciplinary perspectives. The event aimed at guiding students in their academic pursuits while enhancing career awareness and exposure to diverse opportunities, through structured interactions and institutional support, fostering overall development.

The academic year concluded with active participation in Scintillation, the annual science fest held on 28th February 2026, where Quasar organized a diverse range of engaging activities, including lectures, experimental demonstration, interactive sessions, quizzes, and movie screenings. “**Circuit Symphony**” provided dynamic platform for students to demonstrate creativity, technical competence, and teamwork through various engaging activities. These initiatives made science both accessible and enjoyable for participants. Beyond academics, students displayed commendable discipline and active participation in the March Past during the Annual Sports Day. Such sustained efforts ensure that students are well equipped to pursue higher studies, research careers, and diverse professional pathways with confidence and competence, fostered by continuous improvement and inclusive academic practices across sessions.

This year has been nothing short of unforgettable for Enliven. It has been a year filled with passion, growth, hard work, and countless memories that we will carry with us for a long time. From the excitement and nervousness of auditions to performing on stage and representing our college with pride, every step of this journey has meant something special to us.

What made this year truly beautiful was not just the performances or achievements, but everything that happened in between. The long practice sessions, last-minute changes, exhaustion, laughter, chaos, team talks, and all those little moments slowly turned us from a group of dancers into a family. We learned how to trust each other, support one another, and grow together not just as performers, but as people.

This season gave us many moments to be proud of, and one of the biggest highlights was beginning our journey on such a strong note. Winning at our very first competition gave us confidence, motivated us to work even harder, and reminded us of what we are capable of when we move together with the same passion and purpose. Every stage after that became a chance for us to learn, improve, and push ourselves further.

Beyond the trophies and titles, this year taught us the real meaning of teamwork, discipline, consistency, and resilience. There were difficult days too—days when we were tired, stressed, or doubted ourselves—but it was our shared love for dance and for this team that kept us going. Every challenge only brought us closer and made every achievement feel even more meaningful.

We are extremely grateful to Gargi College for always encouraging talent and giving students the space to express themselves and grow. We would also like to express our heartfelt gratitude to our convenor, whose constant support, belief, and guidance have played a huge role in our journey. Their encouragement has been a source of strength for us throughout the year and has inspired us to always give our best.

As we look back on this year, we do so with immense gratitude and pride. And as we move forward, we carry with us the same energy, dedication, and love for what we do. Enliven will continue to grow, learn, perform, and strive for even greater heights in the years to come. Here's to more stages, more memories, more milestones, and many more moments of dancing our hearts out.

Euphony - Western Music Society

Convenor (Teacher): Dr. Maneesha Roy

Convenor (Student): Ms. Simran Seth

Euphony is the Western Music Society of Gargi College, primarily functioning as a premier a cappella ensemble that creates intricate musical textures using only the human voice. This academic year marked a significant evolution as the society expanded its creative horizons by adding instrumental categories and forming its first-ever foundational band. These pioneering initiatives, alongside a dedicated focus on nurturing diverse solo singing talent, have allowed the society to explore multiple genres including jazz, pop, rock, and Western classical music. The society remains a collective of passionate musicians dedicated to performing quality music and maintaining a prominent presence in the Delhi University Western Music Circuit.

The society remained central to campus life, beginning with the Society Orientation 2026 which was successfully carried out on August 20, 2026. Euphony performed at the Freshers' Event and collaborated with the Dramatics Society, Upstage, for the "Kala Verse" theme reveal on February 5, 2026, featuring a performance centered on women's empowerment. The society organized two major inter-college competitions during the annual festival, Reverie: Requiem, the flagship a cappella event, was held on March 24, 2026, hosting over 200 participants from eight colleges. This was followed by Tarana on March 25, 2026, a newly introduced "Battle of the Bands" that successfully expanded the society's scope into instrumental excellence. Internal growth was further fostered through technical vocal workshops, interactive jam sessions, and open mic events throughout the year.

The society achieved significant competitive success across the circuit. Kanikka Narsingani secured Third Position in Solo Singing at both IIT Delhi and Lady Shri Ram College. The ensemble, Euphony, earned the 2nd Runner-up position at the National Level during the IIT Kanpur festival. In the group a cappella category, the society was named 1st Runner-up at Shaheed Rajguru College and Ramanujan College, while also receiving a Special Mention at Lady Shri Ram College. Additionally, Reet Ahuja excelled in instrumental categories, securing multiple 2nd and 3rd Positions at Bennett University, ADGIPS, Dyal Singh College, and Maitreyi College.

Glass Eye - The Film Society

Convenor (Teacher): Dr. Aneeta Rajendran

Convenor (Student): Ms. Inaas Salman

Under the guidance of Teacher Convenor Dr. Aneeta Rajendran, Glass Eye society continued to foster a dynamic environment for cinematic exploration, creativity, and collaborative storytelling. The society actively worked towards nurturing students' interest in filmmaking by combining theoretical learning with practical exposure throughout the academic year.

The year was marked by a series of engaging workshops and interactive sessions conducted by industry professionals, focusing on key aspects such as pre-production, cinematography, storytelling techniques, and film appreciation. These sessions enabled participants to develop a deeper understanding of cinematic language while encouraging them to translate ideas into structured visual narratives.

Internal workshops further strengthened collaboration among members, enhancing both acting and production skills. GlassEye also emphasized experiential learning through in-house productions, where members worked collectively on short films such as Dor, Ka, and a Diwali production. These projects provided hands-on experience across various stages of filmmaking, from scripting and shooting to editing and post-production.

Beyond internal activities, the society actively contributed to the broader college community. It undertook videography coverage for events such as Scintillation and participated in Reverie Pre-Jitters, showcasing versatility in both creative production and event documentation. A major highlight of the year was the successful organization of the society's flagship on-the-spot filmmaking competition, Locha-e-Ulfat, during Reverie. The event witnessed enthusiastic participation from various colleges and promoted creativity, teamwork, and innovation under time constraints. Through its diverse initiatives, GlassEye continued to provide a platform for aspiring filmmakers to express themselves, collaborate meaningfully, and engage with cinema both as an art form and a medium of communication.

Henosis – The Northeast Society

Convener (Teacher): Dr. Gladys Muivah

Co-convener (Teacher): Ms. Pemala Bhutia

Convener (Student): Ms. Mayuri Dutta, B.A. (Hons) Applied Psychology, IV Year

Co-Convener (Student): Ms. Piyali Das, B.A. (Hons) Philosophy, III year

The academic session 2025–26 was a dynamic and intellectually engaging year for Henosis, the Northeast Society of Gargi College. The session commenced on 24 September 2025 with a workshop titled “Where Past and Present Converge: An Exploration of Heritage and Documentation Careers in Northeast India.” The session featured Dr. Pankaj Pratim Bordoloi, Deputy Director at the Rashtrapati Bhavan Museum (Art Collection and Museum) and Dr. Thingnam Sanjeev, Archivist at the National Archives of India, Janpath, New Delhi. They offered valuable insights into cultural preservation and documentation, encouraging critical engagement with heritage in contemporary contexts.

On 11 October 2025, Henosis organized an inter-college paper presentation competition on “Matriarchal Traditions and Cultural Resilience.” The event witnessed enthusiastic participation and stimulating discussions. It was judged by Dr. Rammathot Khongreiw, Associate Professor at Lakshmbai College, University of Delhi and Dr. G. Amarjit Sharma, Assistant Professor at the Special Centre for the Study of North East India, Jawaharlal Nehru University.

On 18 March 2026, Henosis successfully organized its 5th Annual Fest—Mélange, centered on the theme “Geopolitical Importance of Northeast India in Indo-China Relationship.” The event featured an insightful lecture by Prof. Mahendra P. Lama, a noted development economist and retired Senior Professor from the School of International Studies, Jawaharlal Nehru University, New Delhi, who provided a comprehensive analysis of the region’s strategic significance.

The fest also hosted inter-college competitions, including poetry and solo cultural dance, which witnessed enthusiastic participation. These events were judged by distinguished academicians: Dr. Achingliu Kamei, Associate Professor, Department of English, Atma Ram Sanatan Dharma College, University of Delhi and Dr. Sentisungla Longchar, Assistant Professor, Department of Psychology, Lady Shri Ram College for Women, University of Delhi. During the academic session 2025–26, Henosis achieved several accolades: Dhanishtha Saikia and Antarikhya Phukan (1st year) secured first position in the Duet Folk Singing Competition at Sri Venkateswara College, DU; Pipi Nirmala Soram (1st year) won third position in the Paper Presentation Competition at Ramjas College, DU; Harbanshita Anujoy (3rd year) and Rinmi Rungsung (1st year) secured First and Third position in the Inter-College Poetry Competition at Mélange; Tanaya Borgohain (1st year) achieved second position in the Zaklit 26 Spell Bee Competition at Zakir Husain Delhi College; and Piyali Das (3rd year) won second position in the 50m Flat Race at Gargi College’s Annual Sports Day.

The society published the second volume of its magazine, “Eastland Echoes,” centered on the theme “Bamboo to Bytes.”

HUES: The Fine Arts Society

Convenor (Teacher): Prof. Alka Garg

Convenor (Student): Ms. Sanskriti Bhati

HUES, the Fine Arts Society of Gargi College, actively organized and participated in a wide range of creative and engaging events throughout the academic year, reflecting its commitment to artistic excellence and collaborative learning. During Fresher's Day "Aurella" on 16 September 2025, the society played a significant role in enhancing the campus environment by designing and installing a main banner, two themed photo booths, and decorative hangings, thereby contributing to a vibrant and welcoming atmosphere for new students. HUES also had the opportunity to represent Gargi College at "Viksit Bharat," a prestigious art competition organized by the Government of India at Kartavya Path, New Delhi, under the inspiring motto "Viksit Bharat ke rang, kala ke sang."

In collaboration with the IKS Centre of Gargi College, HUES successfully organized an inter-society logo-making competition based on the theme of Indian Knowledge Systems, which witnessed active participation from 23 members. The society further encouraged creative exploration through a sketch walk to Lodhi Garden, where members engaged in live sketching and painting in an outdoor setting. Additionally, under an ICSSR-funded research project on Ahom rituals and festivals, HUES co-organized an eco-friendly "Rituals and Art" competition that emphasized the use of sustainable materials.

HUES also collaborated with the White Rose Club for a face painting activity and partnered with Manzil NGO for a wall painting initiative, promoting community engagement and artistic expression. During Reverie 2026, the annual cultural fest, HUES contributed extensively through arch and auditorium banners, themed photo booths, decorative hangings, an art exhibition, and an inter-college tattoo design competition. Throughout these initiatives, HUES members consistently represented Gargi College at various platforms and secured several awards and recognitions.

Kshitij

Convenor (Teacher): Dr. Chhaya Sawhney

Convenor (Student): Ms. Drishti Sharma

"Kshitij, the Street Play society of Gargi College, has earned significant acclaim and recognition through its consistent participation and success in competitions across the Delhi Collegiate Theatre Circuit, both during and beyond the fest season.

For the tenure 2025–26, the society's annual production, titled "Long Live the War," explores the complex process of the making of a war. The play delves into the causes and mechanisms that lead to conflict, examining how wars originate, escalate, and leave lasting impacts on both those directly involved and innocent civilians caught in their wake.

Drawing relevance from contemporary global events and international discourse, the production incorporates multiple sources and case studies to present a nuanced narrative. It traces the trajectory of war—from its inception and the forces that instigate it, to its escalation, and ultimately, to its aftermath—emphasizing that even when a war formally ends, its repercussions continue to echo across generations.

The play critically addresses key causes of war, including political instigation, scarcity of resources, and the influence of capitalism. It also highlights the psychological toll of conflict, portraying long-term mental health consequences such as Post-Traumatic Stress Disorder (PTSD), major depression, and schizophrenia. Capitalism is presented as a recurring and pervasive force, shaping both the lead-up to and aftermath of war, often driven by human greed at the cost of civilian lives.

Kshitij has participated in approximately 35 competitions so far, securing around 20 podium finishes. Notable achievements include first positions at Manav Rachna Institute and Dr. Akhilesh Das Gupta Institute of Professional Studies, Best Production at Bharati Vidyapeeth Institute, and first position at Vivekananda Institute of Professional Studies, among many others.

In addition to these accolades, the team has received several awards for Best Music, Best Percussion, and Best Direction. Members of the core team have also been individually recognized with honors such as Best Actress, Best Performer, and Special Mention awards at various theatre festivals."

Quizzito

Convenor (Teacher): Dr. Anuradha W Kumar

Convenor (Student): Ms. Priyanshi Negi

Quizzito, Gargi College's quiz society, is one of the most active societies in the Delhi circuit with over 25 podium finishes this academic year. Dedicated to fostering a culture of knowledge through competition, the society organized two major inter-college events alongside intra-college workshops and quizzes.

Throughout the year, Quizzito secured 1st position in 11 quizzes hosted by HIIS, NSUT, IPCW, IIT Delhi, LSR, and Hansraj College; 2nd position in 12 quizzes organized by AIIMS Delhi, IIT Delhi, MAMC, Miranda House, Jamia Millia Islamia, Kirori Mal College, Sri Aurobindo College, St. Stephen's College, Sri Venkateswara College, JMC, and Zerodha Varsity; and 3rd position in 4 quizzes conducted by AIIMS Delhi, the Cultural Council of the University of Delhi, Ram Lal Anand College and Gargi College.

The year kicked off with recruitment and the 'Summer I turned a Quizzer' freshers quiz, followed by workshops on question-making and 'Quizzing 101' for freshers. Collaborative highlights included 'Quizdhani Express' with JMC and Teachers' Day Quiz with Student Council. An intra-college Delhi quiz held in October, hosted by Niharika and Sanskriti, marked the beginning of our intra-sessions for the year. This was later followed by an intra-college SPICE Quiz: Saga (History + Mythology), Politics, Internet, Cinema & Entertainment conducted in April by Tage, Khushi, Arya, and Mihika.

On November 14 & 15, Quizzito held its flagship fest, 'Ergo Sum', drawing over 100 participants. The two-day event featured four member-hosted quizzes; 'GEN-baiting' (General), a Sci-Biz-Tech filler, 'Enjoy a LIMCA' (Literature, Internet, Mythology, Cinema & Art), and a Games filler.

Finally, for Reverie 2026, the society hosted over 50 teams for 'GENerally Asking', led by quizmaster Asmit Kumar, and the Bollywood filler 'Qarib Qarib Filmy'

Cultural Societies

Sparx- The Choreography Society

Convener (Teacher) : Dr Rashmi Bharadwaj

Convener (Student): Ms. Riya Mangla

SPARX, the contemporary dance society of Gargi College, is a team that believes in telling stories through movement. The society creates annual productions based on social issues, ideas, and lesser-known stories, aiming to connect with the audience in a meaningful way. Each performance is not just about dance, but about expressing thoughts, emotions, and perspectives.

Every year, auditions are held at the beginning of the session, where students from different courses come forward to be a part of the team. The selected group includes dancers with different levels of experience, some trained, some untrained but all equally passionate. After selection, the team undergoes rigorous practice and training with experienced choreographers. SPARX mainly works with jazz, contemporary, and ballet techniques, helping members improve their strength, flexibility, and overall performance.

The annual production for 2025-26, **The Ventriloque**, focuses on the idea of losing one's identity by blindly following others. It shows how individuals are controlled and slowly become similar, almost like puppets. As the performance progresses, one dancer begins to resist, creating a contrast between awareness and conformity. The piece delivers a strong message about the importance of thinking independently and staying true to oneself.

SPARX has also performed at well-known events in the Delhi University circuit, including **IZRAAZ** at Lady Shri Ram College and **CHORENITE** at Sri Venkateshwara College, reflecting the team's dedication and growth.

In addition, the society organizes its own competitions during Reverie, Gargi College's annual fest. **Cursive-ITI** (group dance) and **Soutenu** (solo dance) bring together talented dancers from different colleges.

With constant hard work and teamwork, SPARX continues to grow as a space where dancers learn, express, and perform with passion.

Samranjini- The Indian Music Society

Convener (Teacher): Dr. Joya Bhattacharya

Convener (Student): Ms. Nihira Sharma, BA (H) Applied Psychology, 3 rd Year

Samranjini, the Indian Music Society of Gargi College, is a vibrant platform for students passionate about Indian classical, semi-classical, and contemporary music. The society aims to preserve India's rich musical heritage while embracing modern styles. Through performances, competitions, and collaborations, Samranjini nurtures talent and contributes to the college's cultural life. The academic session began with society auditions on 21st August, which saw enthusiastic participation from students across musical genres. After a careful selection process, talented individuals were inducted into the society, strengthening its musical community.

Samranjini actively participated in key college events, including the Teacher's Day celebration on 5th September and the Orientation Day on 10th September. During Orientation, the society introduced freshers to its activities and concluded with a musical performance. The society also performed Saraswati Vandana at various college conferences and inaugural ceremonies. A key highlight was representing Gargi College at Kirori Mal College for their TEDx event, where Samranjini performed a Vandana during the opening ceremony, creating a soulful atmosphere.

During Reverie, Gargi College's annual fest, Samranjini organized its flagship event, Malhaari, featuring two major competitions and showcasing talent from various colleges. Both competitions witnessed outstanding performances, enthusiastic participation, and an audience that deeply resonated with the artistry displayed on stage. Through Malhaari, Samranjini successfully upheld its tradition of nurturing musical excellence and cultural appreciation.

Upstage- The Dramatics Society

Convener (Teacher): Dr. Anamika

Convener (Student): Ms. Dhriti

During this year, our team achieved significant milestones across multiple prestigious platforms. We were honored with four Special Achievement recognitions, including performances at Lal Bahadur Shastri Institute of Management (LBSIM), Indira Gandhi National Centre for the Arts (IGNCA), and Urban Frigate held at Underground Stadium, Okhla, organized by the Aadhaar Society of Motilal Nehru College.

In addition, we secured victories in three Stage Play competitions and four Mono Act competitions up to 4th April. Demonstrating our commitment to creative excellence, we successfully produced two Annual Productions under the guidance of our mentor, Yogesh Somi Bhatt. Notably, this year also marked a milestone for our society with the creation of our first-ever Mime Production, expanding our artistic repertoire and exploring new dimensions of performance.

Student Council Report

Union Advisors: Dr. Aparna Joshi, Dr. Anita and Dr. Payal Jain

President: Ms. Naina Dhamija

The Student Council of Gargi College remained committed to fostering an inclusive, engaging, and vibrant environment by strengthening student participation through initiatives that promoted cultural expression, encouraged creativity, and enhanced students' sense of belonging. Emphasis was placed on creating diverse opportunities across fields, enabling students to explore their talents, build confidence, and actively engage with campus life, making it more dynamic, accessible, and enriching for all.

The tenure of the Student Council (2025–26) commenced with a farewell ceremony for the outgoing batch on 24th April 2025, with the theme “**Renouveau: Pathways to New Beginnings**,” celebrating their memories, achievements, and future journeys. A key segment, “Tiara Triumph,” featured a pre-event talent round, followed by a ramp walk and an interactive question-and-answer round, enabling participants to showcase their abilities and perspectives. The event also included vibrant performances by various college societies and concluded with the crowning of participants, awarding titles and tiaras in recognition of their excellence. As a gesture of appreciation, the Council presented the graduating students with curated souvenir jars symbolising cherished memories and lasting connections with the institution.

A comprehensive **Orientation Programme** for the incoming batch was organised, beginning with an online college orientation on 31st July 2025 to familiarise students with the institutional framework, opportunities, and overall functioning of the college. This was followed by department-specific orientations held in offline mode on 1st August 2025, enabling students to gain deeper insights into their academic disciplines, interact with faculty, and build a strong academic foundation. Subsequently, a Society Orientation was conducted on 20th August 2025 to introduce students to the diverse cultural and value-building societies of the college, encouraging active participation in co-curricular activities and helping them explore their interests beyond academics.

Gargi College celebrated **Independence Day 2025** with the hoisting of the National Flag, followed by a Guard of Honour presented by NCC cadets. The Principal, Prof. Sangeeta Bhatia, addressed the gathering with an inspiring speech, highlighting the role of educational institutions in nation-building and the responsibilities of students towards the nation. The celebration also featured a series of cultural performances, adding vibrancy and patriotic spirit to the occasion, and collectively reflected a sense of pride, unity, and national celebration.

Student Council Report

A series of activities, as part of the “**Swachhata Drive in Delhi**” campaign by the Government of NCT of Delhi, were organised from 1st August to 31st August 2025 to promote cleanliness and sustainability. These included a Best Out of Waste Competition, a Poster Making Competition, and an interactive discussion session titled Ideathon. Additionally, an on-ground Swachhata Drive focusing on women’s hygiene was conducted. A comprehensive monthly report, along with geotagged photographs highlighting concerns regarding waste disposal in areas opposite the college, was submitted to the Delhi Government. Collectively, these initiatives aimed to foster environmental responsibility, social awareness, and active student participation.

Under its broader vision of promoting student engagement, the Student Council organised an Essay Writing Competition themed “**राष्ट्र प्रथम: A Campaign in Support of Nation First**” under the aegis of the Ministry of Education, Government of India. The initiative was conceptualised to instill a sense of responsibility, unity, and national contribution among students.

In accordance with the University of Delhi guidelines, the Student Council undertook an Anti-Ragging Initiative, wherein an **Anti-Ragging Pledge** was administered to students on 27th August, 2025 to promote a safe, respectful, and inclusive campus environment.

Gargi College further strengthened awareness by organising a **disaster management training programme** on 1st September, 2025, in collaboration with the Delhi Police, aimed at equipping students with essential skills to effectively respond to emergencies and sudden disasters.

Teachers’ Day 2025 was celebrated with great enthusiasm under the theme “Yaadon Ka Safar – Revisiting the College Life.” The event, conducted on 3rd September 2025, featured vibrant performances by Samranjini, Upstage, Nazaakat, and Henosis, adding energy and spirit to the occasion. A heartfelt performance by the Student Council was dedicated to the teachers, expressing sincere gratitude for their constant support. The celebration also included games and engaging activities curated especially for the faculty, and as a token of appreciation, souvenir jars were presented to the teaching staff to cherish their guidance and contributions.

In continuation of the **Wise Up Session series**, Episode 4 was held on 9th September 2025, focusing on the theme of mental health. The discussion, led by Shibani Bedi and Isha Bhatia, was conducted in an engaging podcast-style format, fostering interactive dialogue and encouraging open conversations among students.

Student Council of Gargi College had the honour of welcoming and **felicitating Padma Shri Dr. Meenakshi Jain** on 16th September, 2025, a distinguished former faculty member of Gargi College, who had been nominated as a Member of Parliament in the Rajya Sabha, for her remarkable contributions and achievements in her field.

Student Council Report

Freshers' Day for the new batch was organised on 16th September 2025 with great enthusiasm under the theme “**Aurette: Feel the Drizzle, Own the Dazzle.**” The highlight of the event was “The Crown of Aurette” competition, which included a Talent Hunt round, followed by a Ramp Walk and a concluding Question and Answer round, with winners being felicitated with titles and crowns. The event was further enlivened by performances from Euphony, Sparx, Upstage, Kshitij, and Enliven, making it a vibrant and memorable welcome for the new batch.

Student Council celebrated **Navotsav 2025** on 24th September 2025 with great vibrance, capturing the festive spirit of Navratri. The event featured a graceful performance by Nazaakat, followed by enthusiastic participation from students who engaged in garba, celebrating the essence of the festival. An initiative to support student entrepreneurship was also introduced, providing a platform for students to showcase their handmade products and startup ideas through stalls, thereby fostering innovation and creating an inclusive space for promotion within the college premises.

With the onset of Diwali, the Student Council of Gargi College, in collaboration with NSS, organised **Zistatva 2025** under the theme “**Umeedon Ka Karwan.**” The celebrations began with a date and theme reveal featuring performances by Samranjani and Henosis, followed by “**Khushiyon Ka Sangam,**” an event for non-teaching staff with engaging games, and a Rangoli-Making Competition for the teaching staff. Held on 17th October 2025, Zistatva'25 commenced with the ceremonial lighting of the lamp, followed by addresses by the NSS President, and Principal, Prof. Sangeeta Bhatia, and was inaugurated by Chief Guest, Ms. Preeti Johar, CEO of Family of Disabled. The event featured heartfelt performances by NGO students, as well as performances by Societies of the college - Enliven and Sparx, alongside NGO stalls, collectively fostering a warm, inclusive, and festive environment for all.

The Student Council of Gargi College celebrated **Lohri** on 13th January, 2026 with warmth and tradition, bringing the college community together in a spirit of festivity. The event featured a graceful performance by Nazaakat, followed by the ceremonial bonfire, creating an atmosphere of togetherness and cultural richness.

Republic Day 2026 was celebrated with pride and dignity, beginning with the unfurling of the National Flag followed by a Guard of Honour by NCC cadets. The Acting Principal, Prof. Vandna Luthra, addressed the gathering, highlighting the significance of the Constitution and the responsibilities of students as future citizens and leaders. The celebration was further enriched with an open mic and engaging activities, fostering reflection, expression, and a shared sense of patriotism.

Initiatives Undertaken by the Student Council

- 1. College Merchandise Initiative:** The Student Council introduced college merchandise to foster a sense of identity and belonging among students. This initiative aimed at promoting college spirit while also providing students with quality, customized merch representing the spirit of the institution.
- 2. Kalakriti:** Kalakriti was conceptualised as a platform to promote creativity and artistic expression among students, particularly for those not affiliated with any society, thereby enriching the cultural environment of the college. The series began with Episode 1, “Jashn-e-Azaadi,” conducted on 13th August 2025, featuring a patriotic-themed open mic, followed by Episode 2, “Taal-e-Tashan,” conducted on 8th October 2025, which celebrated diverse dance forms and concluded with performances by Nazaakat, Sparx, and Enliven. Continuing the initiative, Episode 3, “Utsav-e-Riwayat,” conducted on 14th February 2026, unfolded as a beautiful ode to India’s diversity. Students thoughtfully represented various states through their attire, traditions, and narratives, each presentation reflecting the uniqueness and essence of its culture. The event stood as a celebration of heritage, expression, and collective pride.
- 3. Establishment of Campus Ambassador Team:** The Campus Ambassador Team was constituted to facilitate regular monitoring and establish structured feedback mechanisms for maintaining campus hygiene and infrastructure. Through this initiative, the Student Council actively worked towards improving washroom facilities and overall campus conditions, ensuring cleanliness and proper maintenance.
- 4. Implementation of Society Coordination Team:** A dedicated team was established to facilitate smooth coordination among various college societies. This initiative helped in better planning and ensured efficient execution of events, especially during a large-scale event such as Reverie.
- 5. Conduct of General Body Meetings:** Periodic General Body Meetings were conducted, providing an open platform for students to voice their concerns and clarify doubts. The Council actively addressed their issues, took forward their suggestions, and guided them on how they could contribute, ensuring better communication and stronger student engagement.
- 6. Installation of Speaker System for Enhanced Event Support:** The Student Council also procured a new speaker system to ensure better sound quality during regularly held events within the college. This helped in better execution of events and improved feasibility.
- 7. Installation of Mirrors in the Basement of New Academic Block:** Mirrors were installed in the New Academic Block basement area to improve convenience and usability for performing societies, particularly during events and practice sessions. This small yet impactful step contributed to better infrastructure and student convenience.
- 8. Donation Drive Initiative:** A Donation Drive was organised by the Student Council of Gargi College from 9th to 11th April 2026, encouraging contributions of essential items such as clothes, stationery, umbrellas, raincoats, school bags, tiffin boxes, and water bottles, thereby promoting social responsibility and collective contribution.

Reverie 2026: The Annual Cultural Festival of Gargi College

Reverie 2026, the Annual Cultural Festival of Gargi College, was held on 24th and 25th March, 2026 as a vibrant celebration of creativity, diversity, and artistic expression. The festival revolved around the theme “**कलाVerse: Exhibitions, Workshops and Fostering Creativity**”, a universe of art bringing together cultures, histories, and contemporary expressions within one inclusive space. This two-day festival witnessed enthusiastic participation from 19 societies of the college and competitions organised by them, showcasing diverse performances across different art forms.

Reverie: Day 1 Highlights

The inauguration ceremony, graced by Chief Guest Mr. Chirag Jain, a renowned poet, author and satirist, and Guest of Honour Ms. Vrinda Chadha, a performing artist and educator, commenced with the Welcome Address by the Acting Principal Prof. Vandna Luthra, followed by the opening remarks by President Ms. Naina Dhamija, and concluded with the Vote of Thanks delivered by the Cultural Secretary, Ms. Ananya Goyal. The first day subsequently unfolded into a vibrant showcase of events, including musical and dance competitions such as Reverie Idol and Dhanak (Group Folk Dance), literary engagements like poetry and turncoat competitions, and creative platforms encompassing tattoo design, photography, and art exhibitions. Theatre performances, particularly nukkad natak, effectively engaged audiences with socially relevant themes, while workshops such as pottery and events like the Impact Investment Challenge provided valuable interactive learning experiences. The campus remained dynamic and engaging throughout the day, culminating in a soulful Sufi performance by the Niazi Nizami Brothers, which brought the day to a memorable close.

Reverie: Day 2 Highlights

The second day of Reverie'26 featured a series of engaging competitions and performances that sustained a vibrant and energetic atmosphere across the campus. The day commenced with a lively poetry-comedy performance by Rajat Sood, which set an engaging and dynamic tone for the audience. The schedule continued with equal enthusiasm, comprising a diverse range of competitions such as solo dance (Soutenu), group dance performances, slam poetry, filmmaking (Locha-E-Ulfat), and classical dance (Laasya), collectively reflecting the depth and diversity of artistic talent among participants. A special segment titled “Behind the Roles” was organised to acknowledge and appreciate the contributions of teaching and non-teaching staff, thereby fostering a sense of inclusivity and community within the institution. Music remained a central highlight of the day, particularly through events such as the Battle of Bands, which showcased originality and musical excellence. The celebrations culminated in a high-energy musical performance by Ash King, bringing the festival to a memorable and impactful conclusion.

Ananda: The Wellbeing Centre

Convenor (Teacher): Prof. Preeti Pant

Ananda, The Wellbeing Centre of Gargi College, conducted a series of impactful activities throughout the academic year to promote holistic well-being within the Gargi community. The year commenced with the 'Internship Orientation' (17th September) where 47 interns, nominated from each department, were welcomed into the Ananda Wellbeing Internship Program (AWIP). This was followed by 'Gratitude Day' (24th September), dedicated to acknowledging and celebrating the invaluable contributions of the college's supporting staff, including cleanliness and hygiene staff, gardeners, and security guards.

An awareness session on 'Alcoholism and Recovery' (8th October), was conducted by members of the Shakti Women's Group of Alcoholics Anonymous (Delhi IG) where they shared their lived experiences of struggle, resilience, and healing with students, faculty, and non-teaching staff. Encouraging creativity and sustainability, the 'Turn Trash into Treasure' (29th October) activity engaged students in transforming everyday waste materials into meaningful and useful products. The Holistic Life Management Program, in collaboration with Sri Sathya Sai Seva Organisation began on 1st October, focusing on life skills. The program covered topics like Relationships (12th November), Leadership (14th January), Personality Development (21st January), Stress Management (28th January), and Choosing less, Living more (11th February). As part of their experiential learning, all interns have also engaged in community service through medical seva, fostering empathy and social responsibility.

A potluck for faculty and non-teaching staff (4th February) was organised fostering connection and a sense of togetherness beyond their professional roles. Further enriching the experience, a Meditative Nature Walk (24th February) to Arjun Jaitely Park, provided the interns a mindful pause from their academic routine. The academic year concluded with a valedictory ceremony (1st April) of AWIP and the Holistic Life Management Course, reflecting on the interns' learnings and experiences. Appreciation and gratitude boxes were also placed across the college, encouraging notes of thankfulness and positivity. Through these diverse initiatives, Ananda fostered well-being, self-growth, and holistic development within the Gargi community.

Avni- The Eco Club

Convener (Teacher): Dr. Gladys Muivah

Co-convener (Teacher): Prof. Vandna Luthra

Convener (Student): Ms. Sristi Gahlot, B.A. (Hons) History, III year

Co-convener (Student): Ms. Shailja Rani, B.Sc. (Hons) Microbiology, III year

AVNI – The Eco Club of Gargi College conducted a diverse range of activities throughout the academic year, all centered around sustainability, awareness, and student engagement. A total of 30 events were conducted during the tenure, engaging around four hundred participants, and 13 eco teams were formed to address campus environmental issues. Gargi College, University of Delhi, received the runner-up position for the Most Eco-Friendly Campus Award for its project AVNI – Campus Green Path at the Bhumi Campus Awards 2025. Avni began the year with a General Body Meeting and Orientation Session, introducing members to the club’s vision and activities.

AVNI organized creative and awareness-driven initiatives such as Best Out of Waste, Ideathon, Things and Tale, Vriksha Bandhan, Online Plantation Drive, Plant and Compost Distribution, and the Pass It On drive, along with ongoing efforts like plastic waste submission and peel collection for aerobins. Interactive platforms including the Open Mic Session, Natural Photography, Poetry Writing, and Ozone Shield Memes enabled creative expression of environmental concerns. Experiential sessions such as Know the Bee and the Birdwatching Session deepened understanding of biodiversity and ecological balance. Hands-on activities like the Cleanliness Drive, E-Waste Workshop, Energy Conservation Poster Making, and Treasure Hunt promoted active engagement with sustainability, while festive initiatives like the No Fire Cooking Competition and eco-conscious Diwali events encouraged responsible celebration. During Gargi College’s annual fest Reverie, AVNI also organized The Ultimate Quest, combining entertainment with environmental awareness.

The year concluded by organizing Harmony On Planet Earth (H.O.P.E): Ek Nayi Dhaara on 6 April 2026. The event commenced an insightful speaker session on the theme “Youth at the Vanguard: Eco-Clubs and the Future of Urban Biodiversity”, delivered by Prof. Sumeet Gairola, Professor, Department of Botany, University of Delhi, highlighting the role of youth in urban biodiversity conservation. It also featured the release of the annual magazine Avnika and a valedictory ceremony. The programme concluded with Kaushal Kendra, a series of interactive workshops on sustainable practices, including lip balm making, paper recycling, crochet, upcycling clothes, seed paper pen making and bookmark crafting. Overall, AVNI successfully cultivated awareness, creativity, and responsibility among students, reinforcing the importance of collective action towards a greener and more sustainable future.

Enactus

Convenor (Teacher): Dr. Seema Sharma

Co-Convenor (Teacher): Dr. Niyati Singh

Convenor (Student): Ms. Suhani Goel

Enactus Gargi is a member-branch of Enactus, an international non-profit organisation that promotes social entrepreneurship and aims to create a sustainable world by nurturing future leaders. Established in 2013, Enactus Gargi runs three projects- Rachna, Neev, and Vikas, working to achieve the UN's Sustainable Development Goals through different entrepreneurial models.

Project Rachna

Stalls: To promote and market the products made by our beneficiaries, we set up vibrant stalls at college fests and reputable corporate offices including: Boston Consulting Group, SDG Corporation, Various DU Colleges, Reverie & Zistatva.

Sustainable Gifting: Enactus Gargi was also honoured to showcase handmade products made from post consumer textile waste to the esteemed Guests of Honour during Reverie'26. Moving forward, the project is exploring more such sustainable gifting and showcase opportunities.

Project Vikas:

NGO Visits: It conducted 4+ workshops in NGOs like Make a Difference, Lakshyam, SK Foundation, for students aged 8 - 16 on topics like personality development and financial literacy. **DU College Seminars:** Organised 4 online and offline sessions for colleges like Kalindi College and Satyawati College covering careers, personal branding, and resume building. **Gargi College Workshops:** 2-Day Resume Building Workshops with expert mentors fostering growth and career building opportunities for Gargi College students.

WhatsApp Community: The launch of a 450+ member WhatsApp community expanded access to daily career opportunities and entrepreneurial knowledge for students. **Mental Health Awareness:** Through its MindKin vertical, the project fostered mental well-being by hosting a mixer in collaboration with a reputed mental-wellness organisation, Belong. Additionally, the team set up an interactive stall on World Mental Health Day to raise awareness through engaging activities.

Project Neev

NGO Visits: Conducted awareness drives in collaboration with Lakshyam NGO and Ishwar NGO, educating underprivileged students aged 8-14 on sustainable living.

Pottery Workshops: It also organized two pottery workshops during Reverie and Aarohanam-Enactus Gargi's Annual Event aimed at empowering local potters.

Waste Management Initiatives: Project Neev facilitated the collection of non biodegradable plastic waste of over 10 Kg in collaboration with IPCA before Reverie. During Reverie it installed two plastic waste bins for proper waste segregation.

Learning Sessions/ Workshops/ Seminars conducted by Enactus Gargi in Gargi College

Seminars: Future Business Careers in the Age of AI, 21st January; Neuromarketing in Action: Engineering Consumer Decision Making, 18th March; Interior Design: Psychology of Colours, 18th March; Higher Education & Work Opportunities Abroad, 1st April. All the above seminars were conducted by professional speakers & focused on career growth, holistic learning opportunities and skill development.

Aarohanam'26:

Aarohanam'26, organized by Enactus Gargi on 16th March, focused on "Impact that Teaches: Educating Social Entrepreneurs for a Sustainable Future." The event featured an Enactus Fair with four colleges, a startup showcase by Gargi students, creative workshops, and learning sessions on business and innovation. A panel discussion by Dr. Roopinder Oberoi and Ms. Shubha Murthi highlighted the role of education in driving sustainable impact.

Reverie- Competition: Enactus Gargi organised the Impact Investment Challenge on 24th February under Reverie'26, a competition focused on sustainable and social impact driven investment.

Future Bharat Hackathon: Inspired by the theme of Viksit Bharat@2047, Future Bharat Hackathon was a dynamic Hackathon on Business Sustainability held on 12th November. The event provided a powerful platform for aspiring changemakers from Gargi College to present innovative and sustainable business solutions aimed at contributing to India's development journey.

Equal opportunity cell

Convenor (Teacher): Dr. Sweta Mishra

Convenor (Student): Ms. Trisha Gautam

The Equal Opportunity Cell of Gargi College, University of Delhi, remained actively engaged in promoting inclusivity, awareness, and student participation through a series of academic and co-curricular initiatives during the academic year. The society consistently worked towards creating platforms that encouraged dialogue on equity, diversity, and social justice.

The session commenced with an inter-college slogan writing competition held on September 30, 2025, on the occasion of Hindi Diwas, in collaboration with the Rajbhasha Implementation Committee. The competition aimed to foster creativity and emphasize the importance of the Hindi language, witnessing enthusiastic participation from students across institutions.

Subsequently, on November 18, 2025, a speaker session on “From Stigma to Structure: Caste and Social Production of Exclusion in India” was conducted by Dr. Prashant Negi, Associate Professor at Jamia Millia Islamia. The session provided valuable academic insights into caste-based exclusion and encouraged critical engagement among students.

The society also organized its Annual Event, SAMATVA – “Towards a Just and Inclusive Tomorrow,” on April 7, 2026. The event featured a keynote address by Prof. Amita Singh, Former Professor at Jawaharlal Nehru University, on “Equity in Developmental Discourse.” This was followed by intra-college competitions, including a turncoat debate and a poster-making competition, which saw active participation and showcased students’ analytical and creative abilities.

Through these initiatives, the society continued to uphold its commitment to fostering an inclusive and intellectually vibrant environment."

Gandhi Study Circle

Convenor (Teacher): Dr. Sweta Mishra

Convenor (Student): Ms. Rishika, BA Political Science (Honours)

The Gandhi Study Circle had a vibrant and meaningful academic year, marked by a series of events that reflected the ideals and teachings of Mahatma Gandhi. The society actively engaged students in activities promoting cleanliness, critical thinking, creativity, and Gandhian philosophy.

The year commenced with a Cleanliness Drive on 22nd August 2025, conducted in the college campus near the Nescafé area. This initiative encouraged students to adopt cleanliness as a civic responsibility and highlighted the importance of sustainable practices. Shortly after, on 26th August, the society organized an Intra-College Extempore Competition, providing a platform for students to express their views on socially relevant topics while enhancing their public speaking skills. In celebration of Hindi Diwas Week, the society hosted a letter-writing competition titled “Gandhi Ko Patr” on 17th September, 2025. This event inspired participants to creatively engage with Gandhian ideas through reflective writing. To commemorate Gandhi Jayanti, a Painting Competition was organized, and the top three artworks were selected for exhibition at the Gandhi Bhawan, North Campus, University of Delhi, showcasing students’ artistic interpretations of Gandhi’s legacy.

Members of the society, along with the Teacher Convenor, actively participated in the Gandhi Jayanti celebrations held on 2nd October, 2025 at Gandhi Bhawan. Further enriching the academic environment, a speaker session was conducted on 7th October 2025 hosted Prof. Himanshu Roy, Chairperson, CPS, JNU, who delivered an insightful lecture on Gandhi’s relevance in contemporary India.

The society had its Annual event “Satyanveshan” on 10th April, 2026. It consisted of a speaker session hosting Prof Ravindra Kumar, Former professor, Dept of History, IGNOU to speak on the importance of quest for truth followed by intra college turncoat and policy making competition focusing on Gandhian ideals promising further engagement and intellectual exchange. The society had an enriching year attracting enthusiastic participation from a large number of students. Overall, the Gandhi Study Circle successfully fostered awareness and appreciation of Gandhian values among students.

Garden Committee (Botanical)

Convenor: Dr Geeta

Members: Dr. Renu, Dr. Ruchitra, Dr Anjana, Dr. Garvita, Dr. Shubhra and Dr. Neha

The Garden Committee of the college continued its dedicated efforts during the academic year to maintain and enhance the green environment of the campus. The committee worked actively towards promoting biodiversity, environmental awareness, and creating a clean, healthy, and aesthetically pleasing atmosphere for students, staff, and visitors.

Throughout the year, regular maintenance of lawns, flower beds, potted plants, and trees was carried out. Seasonal flowering plants were introduced at different locations across the campus to beautify the surroundings and create a refreshing ambience. Special attention was given to pruning, watering, weeding, and the overall upkeep of the gardens.

1. Botanical Garden Committee in association with Avni The Ecoclub conducted plant and compost distribution drive on 7th and 8th January 2026.
2. Several plantation drives were conducted by Garden Committee in the academic year 2025-26.
3. Garden committee has participated in University Annual Flower Show

Gargi Media Cell

Convenor (Teacher): Prof. Neera Pant

The Gargi College Media Cell has official accounts on four social media platforms viz Facebook, Instagram, LinkedIn and X (earlier Twitter).

Our college has launched a new official LinkedIn account this year. Official posts on these four accounts provide the Gargi community and beyond with accurate updates on the college's achievements, latest academic seminars, conferences, webinars, industrial visits, workshops, college festivals, sports events, placement drives, and the activities conducted by various societies of the college. Faculty members are encouraged to share their and student achievements with the media cell.

This year, the Media Cell posted almost every day and these encouraging posts inculcate a sense of pride and inspiration in all of us. All official accounts have seen remarkable growth, which is a testament to the engaging content and the strong sense of community the media cell has cultivated. We encourage our faculty, staff, students, alumna, and others to follow these accounts to stay informed and connected.

Izhaar

Convenor (Teacher): Prof. Neera Pant

Convenor (Student): Ms. Parisha Anand

Izhaar, the Mental Health Initiative of Gargi College, pledges to spread awareness regarding mental health on campus through its various events and activities. We are a peer-to-peer support group that aims to create a safe, warm, and empathetic place where students of all diversities can come together and find the warmth and togetherness they need.

Our advocacy for mental health is reflected in our events and activities, and one such campus-wide activity was 'Myths Vs Facts' for Suicide Prevention Week in October 2025. The activity highlighted the importance of busting a few prevalent myths regarding suicide, misconceptions that are not only widespread but can actively prevent individuals from seeking or offering help. By presenting research-backed facts alongside commonly held beliefs, we aimed to dismantle the stigma and silence that too often surrounds conversations about suicide.

Students were encouraged to engage with thought-provoking statements, challenge their own assumptions, and walk away with a more informed, compassionate understanding of the issue. The activity also shed light on the early warning signs that may indicate someone is struggling and emphasised the profound impact that timely intervention and genuine human connection can have. Alongside this, participants were given yellow wrist bands reminding them of the simple yet powerful act of checking in with the people around them and show their support, encouraging people to 'Speak Up'.

Through 'Myths Vs Facts,' Izhaar reaffirmed its commitment to fostering a campus culture where mental health is spoken about openly, honestly, and without judgment, one conversation at a time.

National Service Scheme (NSS)

Convenor (Teacher): Dr. Alka Michael

Convenor (Student): Ms. Smriti Mishra

The National Service Scheme (NSS) unit of Gargi College demonstrated remarkable commitment to social service and community engagement over the past year, guided by its motto, “Not Me But You.” The society successfully organised and participated in diverse activities that promoted social responsibility, awareness, and holistic student development.

The year commenced with Zistatva, a Diwali Mela that blended cultural celebration with social impact by supporting NGOs. NSS volunteers further participated in national initiatives such as the Unity March and “Meri Dilli, Mera Desh,” fostering patriotism and unity. Awareness-based programmes included the Jan Jatiya Gaurav discussion, Canine Awareness Workshop, World Cancer Day poster-making activity, and the Women’s Day quiz, all aimed at educating and sensitising students on important social issues.

Environmental sustainability and community welfare were key focus areas. Cleanliness drives, clothes and winter wear donation drives, and the newspaper collection initiative reflected the spirit of compassion and responsibility. The Blood Donation Drive, which collected 65 units of blood, stood as a significant humanitarian effort. Additionally, campaigns like Nashamukti Parisar Abhiyan and Run for Swadeshi promoted a healthy, self-reliant, and responsible society.

The NSS unit also ensured active participation in inter-college events such as the Leher Conclave, Udaan at SRCC, and the We Power event, providing students with valuable exposure and opportunities for collaboration. Republic Day celebrations and community wall painting activities further instilled constitutional values and national pride among volunteers.

The success of these initiatives would not have been possible without the constant motivation, encouragement, and participation of Prof. Sangeeta Bhatia and Prof. Vandna Luthra, whose guidance inspired the volunteers to strive for meaningful impact.

Placement Cell

Convenor (Teacher): Dr. Mohit Abrol

Convenor (Student): Ms. Harshita Karwal

The Placement Cell of Gargi College, University of Delhi, plays a crucial role in bridging the gap between students and the professional world. It is committed to facilitating placements and internships while equipping students with the skills, exposure, and guidance required to make informed career decisions. Through training initiatives and continuous industry interaction, the Cell ensures holistic career development.

During the 2025–26 session, the Cell undertook several impactful initiatives to strengthen student preparedness. The Placement Preparation Bootcamp 5.0 focused on essential recruitment skills such as aptitude, case interviews, resume building, guesstimates, and group discussions, enabling students to approach hiring processes with confidence. The Career Compass initiative further provided clarity on diverse career paths, required skill sets, and structured roadmaps. Additionally, seminars and webinars across domains like finance, consulting, startups, and higher education contributed to students' overall professional growth.

In terms of outcomes, the Placement Cell recorded over 216 placement offers and 157 internship opportunities, reflecting strong recruiter participation and consistent student performance. The highest package offered was 15 LPA, with an average of 5.9 LPA and a median of 6.05 LPA. Internship stipends reached up to ₹2 lakh per month, with over 45 companies across 11+ sectors offering diverse roles.

A key highlight of the session was Elevate 6.0, the Cell's flagship annual internship fair. The event began with an insightful session by Mr. Rajat Arora, who shared practical insights from his professional journey. Elevate hosted 123 companies and offered 398 roles, providing students with direct industry exposure and valuable opportunities.

Overall, the session reflects the Placement Cell's strong commitment to fostering career readiness. By combining structured training, industry engagement, and impactful initiatives, the Cell has created a supportive ecosystem that empowers students to confidently transition from academic life to professional success.

Pragyanam: Centre for the study of IKS

Convener: Dr. Alka Michael

Co-Convener: Dr. Arunima Das

On October 13th, 2025, Gargi College inaugurated Pragyanam: The Centre for the Study of Indian Knowledge Systems, emphasising on the revival of the indigenous intellectual traditions. The Centre engages in Critical engagement with Western narratives to embrace modernity while staying rooted in cultural foundations. Building on this vision, the college organized an ICSSR-funded National Workshop on January 30, 2026. Titled "The Indian Knowledge System: Integrated Methods for Researching Ritual Practices" highlighting the importance of culturally rooted research. Enhancing the practical scope of the event, a specialized skill development workshop was conducted for students which focused on the documentation of rituals and practices as Intangible Cultural Heritage (ICH). three days Capacity Building Workshop on Brahmi Script: Reading, Writing and Transcription organised by the Centre for the Study of Indian Knowledge Systems, Gargi College in Collaboration with Tatvam Foundation. This workshop represents a vital step in bridging the gap between ancient wisdom and modern academic rigor. For the students of Gargi College, learning the Brahmi Script is not merely an exercise in calligraphy; it is an acquisition of a "master key" that opens several doors to professional, intellectual, and cultural growth. These initiatives were encouraged by our Principal, Prof. Vandna Luthra along with the support of the Pragyanam team at Gargi College.

राजभाषा कार्यान्वयन समिति

संयोजक (शिक्षिका): डॉ. स्वता मिश्रा

गार्गी महाविद्यालय की राजभाषा कार्यान्वयन समिति ने वर्ष 2025-26 के दौरान हिंदी के संवर्धन और उसके व्यावहारिक प्रयोग को बढ़ावा देने के उद्देश्य से विविध गतिविधियों की एक सशक्त श्रृंखला आयोजित की। हिंदी दिवस का शुभारंभ 2 सितम्बर 2025 को “हिंदी टिप्पण एवं सरकारी पत्राचार के प्रकार” विषय पर आयोजित कार्यशाला से हुआ, जिसमें मुख्य वक्ता श्री श्याम सुंदर कथूरिया, निदेशक (राजभाषा), कर्मचारी राज्य बीमा निगम ने भाग लिया। उन्होंने सरकारी पत्राचार, नोटिंग एवं टिप्पण की बारीकियों को अत्यंत सरल और व्यावहारिक उदाहरणों के माध्यम से स्पष्ट करते हुए प्रशासनिक कार्य में प्रभावी लेखन के महत्व को रेखांकित किया।

इसके बाद पूरे सितंबर माह में अनेक रचनात्मक एवं बौद्धिक प्रतियोगिताओं का आयोजन किया गया। “शब्द-युद्ध प्रतियोगिता” में विज्ञान के विद्यार्थियों ने यह सिद्ध किया कि हिंदी में भी जटिल विषयों को प्रभावी ढंग से व्यक्त किया जा सकता है। अनुवाद, प्रशासनिक शब्दावली, पत्र लेखन, टर्नकोट वाद-विवाद और अंतःमहाविद्यालय कविता पाठन जैसी गतिविधियों ने विद्यार्थियों और कर्मचारियों को हिंदी से जोड़ने का एक जीवंत मंच प्रदान किया, जहाँ भाषा के साथ विचार और अभिव्यक्ति का सुंदर समन्वय देखने को मिला। 30 सितंबर को “हिंदी – समावेशिता और समानता का सेतु” विषय पर स्लोगन लेखन प्रतियोगिता के साथ इस श्रृंखला का समापन हुआ।

इसके अतिरिक्त, 25 नवंबर 2025 को “हिन्दी टिप्पण एवं प्रारूप लेखन” विषय पर आयोजित कार्यशाला में मुख्य वक्ता श्री तेज स्वरूप त्रिवेदी, सहायक निदेशक (राजभाषा), संगीत नाटक अकादमी, संस्कृति मंत्रालय, भारत सरकार ने हिंदी लेखन की बुनियादी अवधारणाओं को सरल और रोचक ढंग से समझाया।

वर्ष का अंतिम कार्यक्रम 10 मार्च 2026 को “भारत सरकार की राजभाषा नीति और प्रशासनिक कार्य में हिंदी का प्रयोग” विषय पर आयोजित कार्यशाला के रूप में संपन्न हुआ, जिसमें मुख्य वक्ता डॉ. गणेश शंकर श्रीवास्तव ने राजभाषा नीति के उद्देश्यों, प्रावधानों तथा सरकारी कार्यप्रणाली में हिंदी के व्यावहारिक उपयोग को अत्यंत स्पष्टता और सरलता के साथ प्रस्तुत किया।

श्री जितेंद्र यादव, जितेन्द्र यादव सहायक (प्रशासनिक विभाग) को हिंदी में 100 प्रतिशत कार्य निष्पादन के लिए प्रोत्साहन पुरस्कार प्रदान किया।

Saksham – The Skill Development Centre

Convenor (Teacher): Prof. Shashi Chawla, Dr. Madhu Yashpal

During the academic year 2025–26, Saksham – The Skill Development Centre (SDC) at Gargi College made a promising beginning as an IQAC initiative dedicated to skill-based, industry-oriented learning in tune with the spirit of NEP 2020. With the development of a dedicated laboratory space and essential infrastructure, the Centre laid the foundation for hands-on training and professional readiness.

A major milestone of the year was the formal launch of Saksham and the inauguration of its newly established laboratory on 17 November 2025. The Centre introduced two flagship programmes: the Certificate Course in Diagnostic Laboratory Techniques and the Certificate Course in Cyber Security. The Diagnostic Laboratory Techniques programme gained special strength through a Memorandum of Understanding with Dr Lal PathLabs Ltd., which enables joint certification and enhances students' employability in diagnostic laboratories, hospitals, research settings, and the public health sector. Among the important academic and outreach activities conducted under Saksham were the Awareness Session on Cyber Security, "CTRL + ALT + DEFEND: Your Cyber Survival Guide," held on 16 October 2025, and the launch of the Certificate Course in ICT Skill Development: MS-Excel for Skill Development and Professional Readiness on 27 August 2025 in collaboration with Samarth Bharat. Another significant initiative was a hands-on workshop on Learning AI with IBM Certification, organised on 17 February 2026 by Saksham and Samarth Bharat in collaboration with WeGyanam and Sarthaks under the aegis of IQAC, Gargi College. Aligned with the India AI Impact Summit 2026, the workshop aimed to equip students with relevant new-age skills and certifications to enhance employability and witnessed enthusiastic participation from more than 100 students.

Saksham's vision of interdisciplinary skill development was further reflected in its association with the Nivedita Summer Internship Programme (18 June–18 July 2025) and the Lecture Series on Advanced Analytical Techniques (October–November 2025), both of which expanded students' exposure to applied and emerging domains.

The year also saw focused capacity-building for the SDC Coordinators, who underwent specialised training in cybersecurity and digital forensics, thereby strengthening the Centre's academic leadership and preparedness. Overall, Saksham has begun to establish itself as a vibrant platform for employability, innovation, and gender-inclusive skill development, creating meaningful pathways for Gargi students to connect classroom learning with professional practice. Additionally, the SDC Coordinators underwent specialised training in cybersecurity and digital forensics during the year, which strengthened their academic leadership and readiness. All things considered, Saksham has started to establish itself as a dynamic platform for gender-inclusive skill development, employability and innovation

Samarth - The Enabling Unit of Gargi College

Convenor (Teacher): Dr. Monica Gupta

Convenor (Student): Ms. Simran Soni

Samarth - The Enabling Unit of Gargi College has consistently worked towards fostering inclusivity, accessibility, and awareness for persons with disabilities. Throughout the academic year, the society organised impactful events that encouraged empathy, understanding, and active participation.

Key projects

Project Buddy is a student support initiative designed to assist Persons with Disabilities (PWD) in navigating various aspects of college life. The project focuses on ensuring that students feel comfortable, included, and empowered within the campus environment. Volunteers work closely with PWD students by helping them access facilities, attend classes and events, and overcome everyday challenges related to accessibility. Beyond physical assistance, Project Buddy plays a crucial role in fostering a culture of empathy and inclusivity among students. It encourages meaningful peer connections and promotes awareness about the importance of equal participation. By creating a supportive and understanding environment, the initiative ensures that no student feels isolated or excluded from the college experience.

Project Raah is an initiative aimed at providing internship opportunities to Persons with Disabilities (PWD), helping them gain practical exposure and professional experience. The project seeks to bridge the gap between academic learning and real-world application by connecting students with opportunities that enhance their skills and prepare them for future careers. Through this initiative, students not only develop workplace readiness but also build confidence and independence. Project Raah empowers individuals to recognise their potential and pursue their aspirations with greater clarity and determination. It contributes to creating a more inclusive professional landscape by ensuring that talent is recognised beyond limitations.

The following are the reports of major events conducted by Samarth during the year.

Journaling Session on Suicide Prevention Day

Date: 10th September 2025

Samarth organized a journaling session on the occasion of Suicide Prevention Day, which also served as a warm welcome for new members. The event began with an address by the President and Vice President, who introduced the society's vision, objectives, and upcoming plans. The General Secretary further briefed attendees about participation guidelines and certificate eligibility. The session then transitioned into interactive activities focused on self-expression. Participants engaged in creative journaling exercises, where they reflected on random words and created "hope chains" highlighting what gives them strength and positivity. Another activity encouraged them to think deeply about what would bring them happiness and how it could influence their lives. A collective affirmation activity brought everyone together, where participants shared and repeated positive affirmations in unison. The session concluded with an anonymous sharing board, allowing individuals to express concerns or offer support. Overall, the event created a safe, warm, and inclusive environment that fostered emotional well-being and belonging.

Silent Expression: Expression Beyond Words

Date: 8th October 2025

The event “Silent Expression: Expression Beyond Words” was designed to promote inclusivity through non-verbal communication and experiential learning. Participants were divided into groups and engaged in activities that required them to communicate ideas and situations using only gestures and visual cues. Each group demonstrated creativity and teamwork as volunteers enacted given scenarios without the use of speech. The use of cue cards added an element of interpretation, encouraging participants to think critically and express themselves in innovative ways. The activity highlighted the significance of alternative communication methods, particularly in understanding the experiences of individuals who rely on non-verbal communication.

The event successfully created an engaging and interactive learning environment. It emphasized the importance of inclusivity in communication and encouraged participants to become more mindful of diverse modes of expression in everyday interactions.

Different, Not Less: Belonging Beyond Barriers

Date: 15th October 2025

The event “Different, Not Less: Belonging Beyond Barriers” focused on the intersection of gender inequality and disability, aiming to deepen participants’ understanding of layered social challenges. The session created a platform for discussing how multiple identities can shape individual experiences in society.

Through powerful stories and discussions, participants were introduced to real-life experiences of individuals who have overcome both gender-based and disability-related barriers. These narratives highlighted resilience, strength, and the importance of equal opportunities. Conversations also addressed social stigma, digital exclusion, and the isolation often faced by persons with disabilities. The session encouraged participants to reflect on their role in fostering inclusion and empathy. It concluded with a strong message that meaningful change begins with awareness and collective effort, reinforcing the importance of building a more inclusive and equitable society.

Speaker Session on ADHD: Understanding Minds Beyond Labels

Date: 5th November 2025

Samarth conducted an insightful online session on ADHD, led by Ms. Sonal Singh. The session aimed to create awareness about Attention Deficit Hyperactivity Disorder and challenge the stereotypes associated with it. The speaker provided a comprehensive overview of its symptoms, causes, and coping strategies. A key focus of the discussion was the importance of empathy and acceptance in supporting individuals with ADHD. The session emphasized that neurodiversity should be understood and respected rather than judged. Participants were encouraged to adopt inclusive attitudes in both academic and social settings. The interactive Q&A segment allowed participants to engage directly with the speaker, share their perspectives, and clarify doubts. The session concluded on an informative and reflective note, leaving attendees with a deeper understanding of neurodiversity and inclusion.

Inclusive Event under Reverie (Annual Fest)

Date: February 2026

As part of Reverie, the annual cultural fest, Samarth organized an inclusive event designed to promote awareness through experiential learning. Participants were divided into teams and engaged in a series of thoughtfully designed activities. The games Mute the Message, Bole Toh Kya?, Guardians of the Inclusiverse, and Tactile Titans allowed participants to experience challenges related to communication, sensory perception, and accessibility. Each activity required teamwork, critical thinking, and creativity, making the event both engaging and educational. The event concluded with reflections and prize distribution, where participants shared their experiences and insights. It successfully highlighted the importance of empathy and inclusivity, leaving a lasting impact on everyone involved.

Interaction Session with Alumna – Jagriti Giri

Date: 8th March 2026

Samarth organized an interaction session with alumna Jagriti Giri, providing participants with an opportunity to learn from her personal experiences related to disability and inclusion. The session created a space for open dialogue and meaningful reflection. She emphasized the need to move beyond sympathy and focus on creating accessible and inclusive environments. The discussion also highlighted the importance of treating individuals with dignity and offering help respectfully by asking rather than assuming. The session encouraged participants to rethink their perspectives and adopt more inclusive behaviors in daily life. It was insightful and impactful, reinforcing the importance of empathy and awareness.

Session on Disability Rights: Law, Society & Lived Challenges

Date: 8th March 2026

This session focused on educating participants about the Rights of Persons with Disabilities Act, 2016. The speaker explained the expansion of recognized disabilities and discussed key provisions related to education, employment, and accessibility. Important aspects such as reservation policies and legal rights were highlighted, helping participants understand the structural support available for persons with disabilities. The session also addressed challenges related to social acceptance and mental health. The interactive discussion allowed participants to engage deeply with the topic and share their views. Overall, the session enhanced awareness of legal frameworks and emphasized the importance of implementing these rights effectively.

Sarthak - The Principal Internship Scheme

Convenor (Teacher): Prof. Shashi Chawla, Prof. Manju Khosla and Dr. Madhu Yashpal

Sarthak - The Principal's Internship Scheme (PIS), launched in the academic year 2025-26 under the aegis of IQAC, Gargi College, is a flagship initiative designed to promote experiential learning, participatory governance, and student empowerment. Modelled on the University of Delhi's Vice-Chancellor Internship Scheme, Sarthak provides students with structured, mentored exposure to academic, administrative, and outreach activities of the college.

For its first batch, applications were invited from eligible students across streams. Out of 14 applications received, 11 students appeared for the interview held on 23 September 2025, and six interns—two each from Commerce, Humanities, and Science—were selected through a formal process based on motivation, communication skills, and alignment with the objectives of the scheme. The first batch formally joined on 30 September 2025. Since joining, the interns have actively contributed to a wide range of institutional and student-centric activities. They began their journey with several green initiatives on campus, promoting dry and wet waste segregation and raising awareness about e-waste management and sustainability in collaboration with Green EcoLink Pvt. Ltd.

A noteworthy student-led initiative under Sarthak was the Digital Detox Campaign, conceptualised to encourage screen-free engagement on campus through interactive activities and games. The first such session was of Dum Charades and received great love from the student community. In addition, the interns contributed to institutional documentation by supporting the preparation of the AQAR 2024-25 and the compilation of data for NIRF Graduation Outcomes 2024-25.

Sarthak interns have actively supported IQAC, Saksham - The Skill Development Centre, and the Research Development Council (RDC) by assisting in the organization of several key institutional events including the inauguration of Saksham, launch of the Cyber Security Certificate Course, the valedictory ceremony of MS Excel Course, Cyber Security Awareness Program, an AI Workshop with IBM certification, the RDC felicitation ceremony, Take One Keep One (TOKO), Exchange of Knowledge & Lights by the Gargi College Library, PRANA & PRAKRITI - Incorporation of Ancient Knowledge in Modern Health, and a one-day cascading programme for the teaching and non-teaching staff of Gargi College. These engagements enabled the interns to gain practical experience in event coordination, documentation, communication, and outreach, in line with the scheme's objectives. The interns also monitored and documented the growth and health of campus plants. Issues affecting plant well-being, including constriction caused by nylon threads, were identified and reported to the concerned authorities, along with suggestions such as the use of natural cloth supports and improved maintenance practices.

Unmukti, the Women's Development Centre of Gargi College, University of Delhi, marked the academic year 2025-26 with a series of purposeful initiatives spanning awareness, advocacy, skill-building, and student leadership.

The year commenced with a Teenbook Workshop on 29th September 2025, conducted in collaboration with Teenbook India, an organisation dedicated to life skills education for young people. The workshop engaged students on themes of emotional, behavioural, and sexual health, fostering open and informed dialogue.

In November 2025, Unmukti partnered with NSS Gargi to organise a Donation Drive for Pehchaan -The Street School, held from 15th to 22nd November at the college's Main Arch. Students contributed stationery and study materials, embodying the spirit of community responsibility.

February 2026 saw the centrepiece event of the year: Parichit '26, Unmukti's annual festival. It opened with a seminar titled "Kintsugi in the Feminine" on 2nd February, featuring humanitarian leader Shehnab Sahin, followed by an Open Mic, "The Woman We See," on 4th February. A Panel Discussion on gender, law, rights, and representation was held on 5th February, with the festival culminating in the UNMUKTI MUN-2026, comprising the committees, UNHRC which debated digital violence against women and AIPPM, whose agenda interrogated the state's failure to uphold constitutional guarantees of equality and justice.

The year concluded with a Self Defence Workshop from 9th to 14th March 2026, conducted by Delhi Police at the college ground, translating Unmukti's year-long conversation about women's rights into something immediate, practical, and powerful.

Weज्ञानम् - The Interdisciplinary Science Wing

Convenor (Teacher): Dr. Madhu Yashpal

Convenors (Student): Ms. Anshita Chhabra

Weज्ञानम् – The Interdisciplinary Research Wing continued its activities for the session 2025-26 with a focus on fostering scientific inquiry, interdisciplinary collaboration, and socially relevant learning. The academic year commenced on August 20, 2025, with an orientation session for new members, during which the core team introduced the society's vision, objectives, and structure, and discussed the recruitment process for the session. The session concluded with an interactive, science-based Pictionary activity that encouraged enthusiastic participation from students across departments.

Building on this foundation, on September 24, 2025, Weज्ञानम्, in collaboration with IQAC, organised the inaugural lecture of the Nivedita Lecture Series on the theme “Hormones, Gender & Reproductive Health,” delivered by Prof. Rita Singh, Head of the Department of Zoology, University of Delhi. The lecture addressed key issues such as hormonal balance, reproductive health, cancer awareness, and preventive care, effectively connecting scientific understanding with broader social concerns. Complementing the lecture, a hygiene awareness initiative was conducted in collaboration with The Right Side Story, involving the distribution of 1,200 hygiene hampers supported by Whisper and Venus, thereby integrating academic discourse with meaningful outreach.

Continuing its emphasis on skill development and practical exposure, on February 17, 2026, Weज्ञानम् organized an AI Workshop with IBM Certification in collaboration with IQAC, Saksham – The Skill Development Centre, Samarth Bharat, and Sarthaks. Conducted by Mr. Vijay Kumar Singh, the workshop introduced participants to foundational and applied aspects of Artificial Intelligence, Machine Learning, and Data Science. Designed as a hands-on learning experience, the session enabled students to explore practical applications of theoretical concepts, with active participation contributing significantly to its success.

White Rose Club

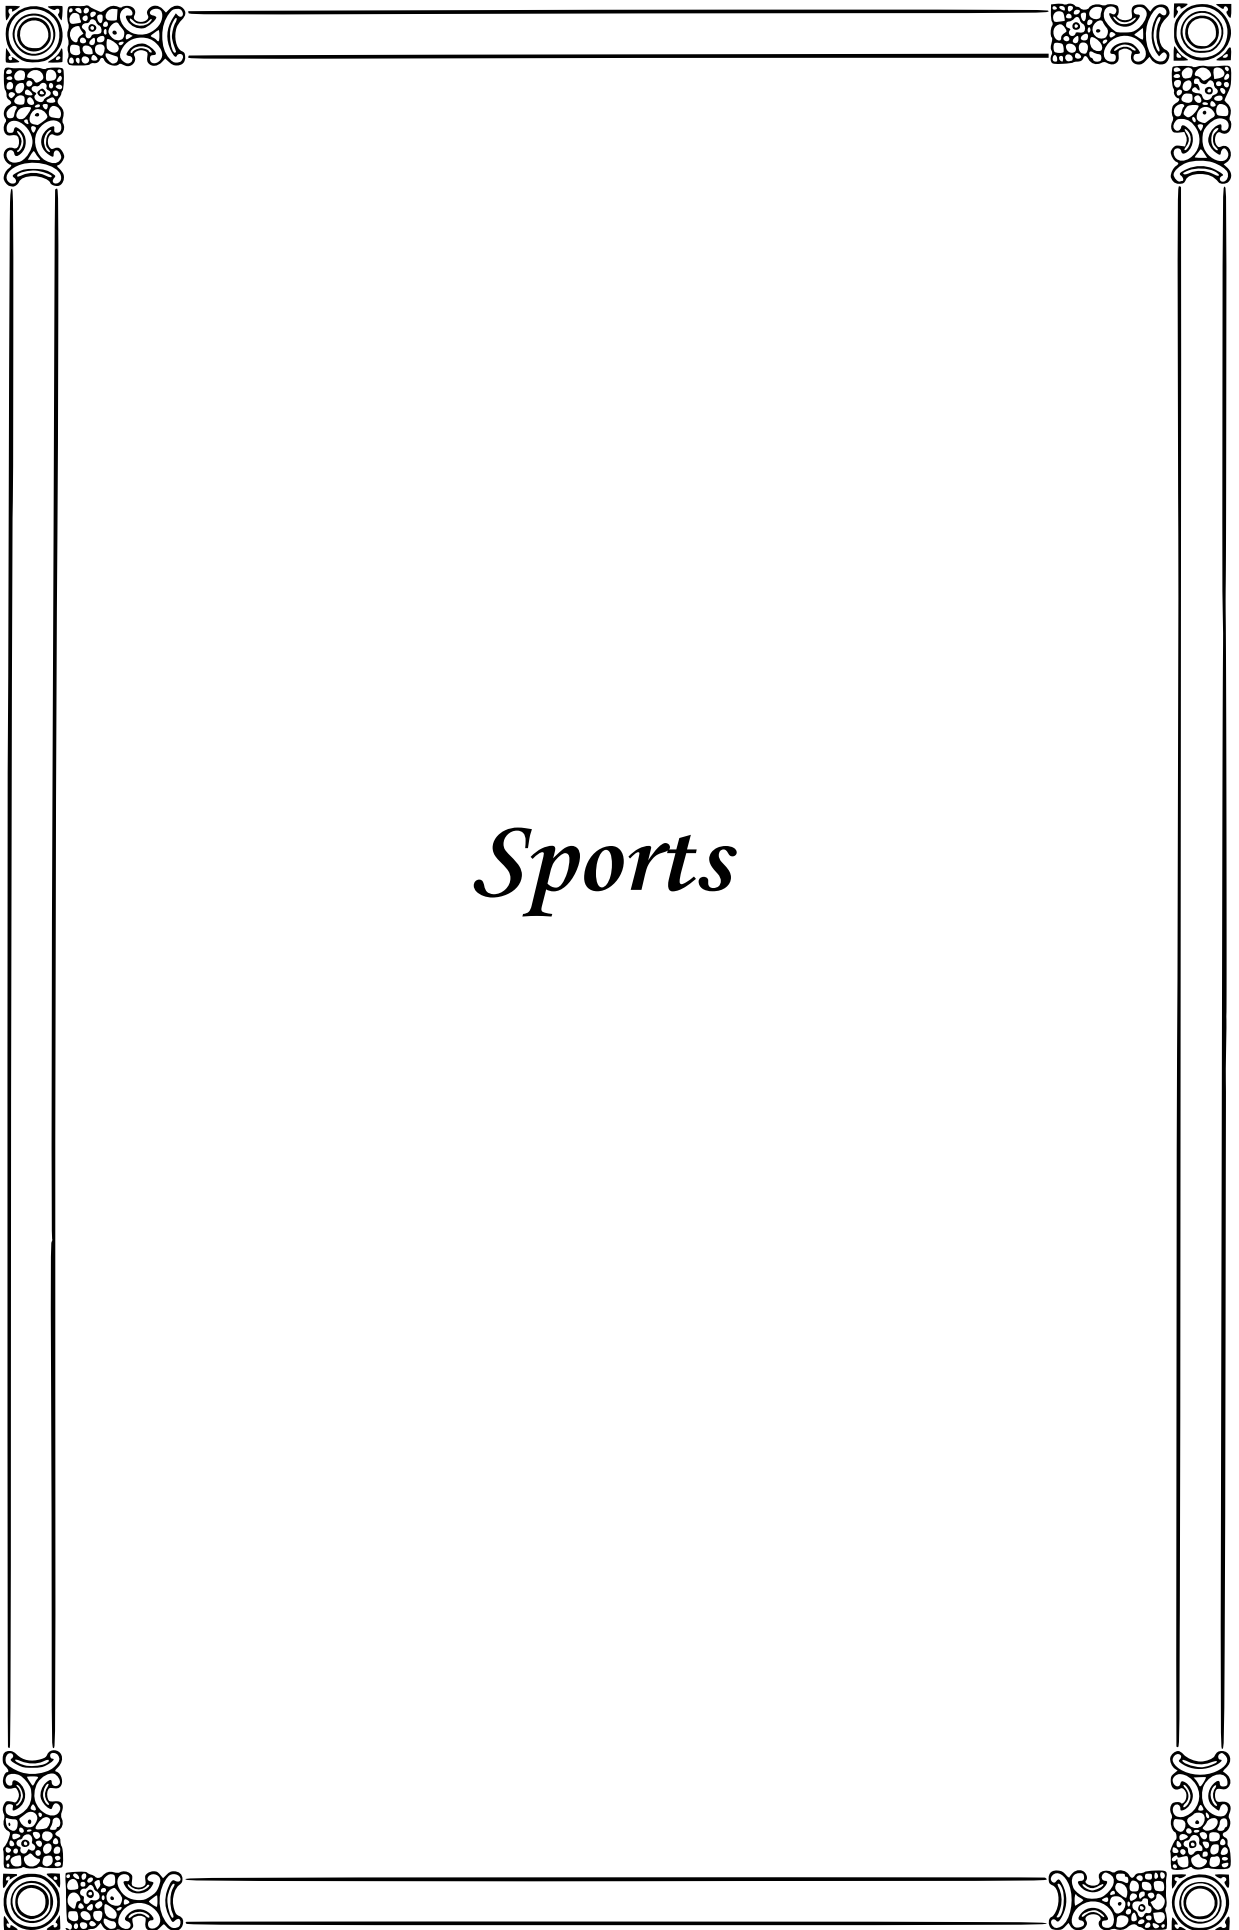

Convenor (Teacher): Prof. Neera Pant

Convenors (Student): Ms. Disha Barwal

"The White Rose Club, part of the Centre for Diversity and Inclusion at Gargi College, is a queer-ally alliance committed to promoting inclusivity.

Founded in 2017 and formally recognized in 2020, it raises awareness, celebrates community resilience, and bridges gaps between queer individuals and allies through collaborative events and initiatives.
