

STRIDES

YEARBOOK 2017

From the Principal's Desk

It's not a time to say good bye, but a time to welcome you as our gratified alumnus. First and foremost, I would like to appreciate the remarkable passion in you towards your studies. Very proudly, I also admire your various accomplishments in extracurricular activities and congratulate you for your achievements through these three years.

Right now you are breathing in a very protective environment but as you leave the college, certain challenges await you. Whenever, during these years we were tough with you, we were actually preparing you to take such challenges in life. I am sure that you will make us proud by overcoming all obstacles with the skills and knowledge that Gargi has imparted in you.

"Believe in yourself and all that you are. Know that there is something inside you that is greater than any obstacle." - Christian D. Larson

Have a great life ahead!

With loads of love and blessings.

Dr. Promila Kumar
Principal

From the Head of Department's Desk

This department has been very close to me, parting from the students who have brought glory to the college is always a difficult task. It's not separation but celebration of having such passionate students who are enthusiastic and are committed towards their holistic development. These students have achieved a lot during the years including the Golden Jubilee Year of Gargi College.

I would want to wish the students best for their exams and life beyond the college.

**With tears we bid goodbye to you,
As you start your journey anew,
We know that you'll hold the Gargi banner high,
But saying that your absence won't be felt, would be an enormous lie.**

**Anything we do, or anything we say,
Cannot express our grief of you going away,
And although you might be a thousand miles apart,
You will always, always be in our hearts.**

This special issue of year book holds some special memories for the batch ready to graduate from the college. The year book team has tried to put together little moments of happiness and joy for the graduate- to- be for those days when they aspire to walk through the memory lane of college life. We wish you all happiness and success in every endeavour you undertake.

Events and Achievements

Orientation

The orientation for Batch 2016-19 was held on 2nd August 2016. The focus of the orientation was to give an overview of the course structure and other activities undertaken for enhancing the learning process. Ms. Jyotika Bahl (Faculty) deliberated on various aspects including course content, further opportunities, placements, association, alumni, etc. so as to give an introduction of the department to the Freshers. The session ended with an interactive session between the Association members and freshers which gave a platform to the students to get familiar with college and their seniors.

The Department initiated Research-O-Meter Series in line with the special requirement of the business economics students to learn the skill of undertaking Research and writing Research Paper. A special talk was organised on 29th August 2016 inaugurated by Dr. Shashi Tyagi with Ms. Jumi Gogoi as the guest speaker.

Jumi is an alumna of Lady Shri Ram College, University of Delhi and University of Bath. She is currently pursuing MS Business Analytics from University of Dallas, College of Business. She has to her credit academic research titled Structuring contracts in Public- Private Partnerships: Theoretical modelling in a multiple agent environment.

She gave an understanding of writing a research paper highlighting the various contents of a paper including Introduction, Literature review, methodology, Data analysis, Bibliography, etc. She shared various links with the students to facilitate easy understanding of contents of research paper and access to wider information for writing research projects for academic purpose.

Research-O-Meter

Swachhita Abhiyan is a national campaign was launched on 2nd October 2014 by Prime Minister Narendra Modi. Our department actively participates in this campaign every year with full participation of the students and teachers. The department strongly believes in celebrating cleanliness drive every day.

Swatch Bharat Abhiyan

Scams in Business world existed from time immemorial demanding stricter regulation of business to ensure the interest of stakeholders like employees, investors, etc. A panel discussion centred on the theme of Business Scams with speakers as Dr. Jyoti Raghavan, Assistant Professor (Mass Communication), Kamla Nehru College and Gauri Singh, an alumna of our college pursuing L.L.B was organised. Dr. Jyoti Raghavan an understanding of the scams from the perspective of media and expressed her views on Media coverage of Business Scams. Gauri presented her views on Anatomy of Scams: A Legal Perspective. Both the speakers provided insights into the topic from different perspective to create an understanding of different scams.

Panel Discussion-Scams in Business World

Comicono Crunch

Comicono is a flagship competition initiated by the Department in 2015-16 with the aim of promoting the idea of understanding the recent economic / business events with a pinch of comic tale. It attempts to provide a platform to the participants to present the outpour of knowledge with a blend of creativity and probe beyond the realm of a textbook.

The competition was hosted on 18th October 2016 with the theme as Business Scams- the comic way which saw participation of five teams presenting different scams including Coal Gate Scam, Panama Papers Scam, Madoff Scam, Speak Asia Scam, Augusta Westland VVIP Chopper Scam, etc. through comic way. The competition was judged by Dr Anita Bajaj, Ms. Suchi Patti and Ms. Gauri Singh.

Retrace- Departmental Alumni Meet

The department organised its first Alumni Meet- "RETRACE" for its entire alumna on 22nd October 2016. Retrace welcomed all its pass-out students to relive their college moments and interact with the present batches. RETRACE gave an opportunity to the students to know and interact with the alumni and share a common bond.

With the aim of providing a taste of college life to the ex-students, Retrace had fun filled sports activities combined with an orientation into latest activities and progress of the department.

The sports events included dodge ball and tug of war between the alumni and present batches. The sports events were followed by an interactive session among alumni, faculty of the department, present batches and Principal mam. Alumni cherished and shared their college experience. They also discussed the various career prospects with the present batches in the context of higher education and possible placement opportunities.

Roister

Our college students participated in Roister- BBE sports Fest of Aryabhata College from 12th January 2017 to 15th January 2017. The fest included a series of events such as Athletics, Volleyball, Dodgeball, Team Building Events, Kho Kho, Chess, Futsal etc. Our college bagged the 1st runner up position overall.

Talk - Mythili Bhusnur Math

Special talk on RBI and Monetary Policy was organised on 13th February 2017 by Mythili Bhusnur Math, Consulting Editor of Economic Times. She discussed the role played by the monetary committee in formulation of monetary policies.

Advitya

On 20th February 2017 Department fest Advitya was organised with the theme Demonetization- A step towards digital India. The speakers for the session were Dr Kumar Bijoy, Faculty SSCBS College, University of Delhi, Mr. Mohit Verma, Assistant Director, Ministry of Rural Development and Mr. Kamal Chhabra, Deputy Head, Centre of Accreditation, NSDC. This session was followed by two competitions for students- Ad Zapper and Murder Mystery.

Industrial Trip

Industrial visit to Mother Dairy and Navneet was organised for the students on 1st March 2017. The students were given an overview of operations in an industrial set up which helped them to understand the systematic working of industries providing consumables to their clientele.

Runbhoomi

Students of our department participated in inter college sports fest organised by College of Vocational Studies from 9th March 2017 to 12th January 2017. Our college won the Best College trophy and students bagged a total of fifty three medals (thirty three gold medals and twenty silver medals) in different sports competition like tug of war, table tennis, shotput, dance, volley ball, futsal and dodgeball.
