For admission to University of Delhi, it is mandatory for the candidate to appear in CUET(UG)-2026 in those subjects in which s(he) has passed class XII. **Mapping the subjects correctly is an essential criterion for the selection of programmes.**

In case the subject studied at Class XII is not mentioned in the CUET(UG)-2026, the candidate must have appeared in the Language/Domain specific subject that is similar/closely related to the subject s(he) has studied at Class XII (for example, if a candidate has studied Biochemistry in Class XII, s(he) must have appeared in Biology in CUET(UG)-2026). For establishing similarity of CUET(UG)-2026 subjects with subjects taken in Class XII, at least 50% of the syllabus of the subjects should match. The University reserves the right to establish the similarity. The decision of the University in this regard shall be final and binding.

The candidate can reorder to prioritize the preference order of Programme + College combinations. “Top, Bottom and Preference Number” icons can be used to reorder the preferences. The submitted preference order will determine the allocation of seat (Refer to Chapter 5 for Allocation Rules). The final order of preferences, as filled and saved, will then be reflected in the “Selected Preferences” tab.

ADVICE

Addition/ deletion of preferences will not be allowed after the closure of the Preference filling.

The candidate must take utmost care while selecting the Programme/s + College Combinations. **It is in the best interest of the candidate to choose as many programmes as he/she wishes to join, provided he/she fulfills the Programme-Specific eligibility of the selected programmes.**

For B.A. (Programme) combinations where Mathematics/Statistics/Computer Applications/Computer Science is one of the two core disciplines, it is mandatory that the candidate must have studied and passed Mathematics in Class XII examination. Similarly, wherever a Language is being offered as one of the two disciplines, the candidate must have a working knowledge of that Language.

Candidates must ensure to “SAVE” the preferences on regular intervals. Only the Programme + College combination selected and saved by the candidate during the Preference-Filling will be considered for allocations and upgradations (if any).

The candidates must preview the “Preference Selection” to confirm their saved choices.

Upon reaching the deadline of Phase II, the saved preferences will automatically get locked and will be used for allocations.

ADVICE
<i>Do refer to the fee structure, location of the college, and other college-related facilities (for e.g., Hostel availability) while giving the preferences.</i>

4.3 : SAVING OF PREFERENCES

The candidate can choose as many preferences as s(he) wishes to. S(he) can reorder the preferences of the selected ‘Programme + College’ combinations if s(he) wishes to, before the deadline of the Preference filling phase.

ADVICE
<i>Candidates must not wait for the last date of preference filling.</i>

Before saving, the candidate must ensure that the order of preferences is as per his/her choice.

The Preference window remains open till the deadline of the schedule. The candidates can edit the preferences till the last date. However, the candidate must ensure “saving” the preferences from time to time.

ADVICE
<i>Candidates must keep “Saving” the Preferences.</i>

The last saved order of ‘Programme + College’ preferences will be locked automatically upon reaching the deadline of the Preference-Filling. Editing the ‘Programme + College’ combination preference list after the deadline for the Preference-Filling will NOT be allowed, i.e., the candidate CANNOT change the order of his/her preferences OR add/delete Programme(s) and/or College(s) after the deadline for Preference-Filling. These locked preferences will become the basis for allocating seats for all rounds of CSAS(UG).

4.4 SIMULATED RANKS

Before the commencement of the first CSAS Allocation round, the University will declare Simulated Ranks, which are purely tentative ranks based on the scores and preferences submitted by the candidates at the end of Phase II.

The Simulated Ranks will be displayed on the dashboard of the candidates. These Ranks should not be construed as a warranty, express or implied, or creation of a legitimate expectation, or as final ranks for allocations of a programme of study or college/department/centre whatsoever. After the declaration of simulated ranks, in case a candidate wishes to update/ revise/ add/ delete/ reorder any preference, s(he) may do so at this time.

ADVICE
<i>Do not be in haste while selecting the Programme+ College combinations or ordering the preferences. Be patient and read the eligibility criteria of the programmes carefully as given in the Bol(UG)–2026.</i>

The candidates must, however, “save” their preferences at regular intervals. Only the last saved preferences will be used for regular allocation.

PHASE III

CHAPTER – 5

ALLOCATION RULES

1. In the context of provisional seat allocation, '**Allocated Seat**' refers to a unique combination of Programme + College. For example, a "B.A. (Hons.) in Psychology at College X" is referred to as an 'Allocated Seat'.
2. The Programme-Specific CUET score, computed from the CUET (UG)-2026 scores provided by NTA, will be used by the University of Delhi for determining merit.
3. **The Highest Possible Preference** will be provisionally allocated to a candidate, considering the following criteria:
 - a. Programme-Specific merit.
 - b. Category (UR/OBC-NCL/SC/ST/EWS/Minority).
 - c. Availability of seats.
 - d. Any other allocation rules, policies, or criteria as mentioned in this document (CSAS(UG)-2026), BoI(UG)-2026, or published on the admission website of UoD.
4. The merit list for the Unreserved (UR) seats will comprise of all candidates in order of merit. No one will be excluded from the same. In other words, the merit list for the UR will also include SC/ST/OBC-NCL/EWS/Minority/PwBD candidates, irrespective of category, if they meet the criterion of merit for the UR. No candidate can be excluded from the UR merit list just because the candidate belongs to or has applied under SC/ST/OBC-NCL/EWS/Minority/PwBD category. Discrimination on the basis of category/caste is completely unlawful. The University of Delhi does not tolerate discrimination against any candidate/student on this basis. Strict action will be taken against any violations.
5. If candidates belonging to SC/ST/OBC-NCL/EWS/Minority/PwBD/KM/CW/Single Girl Child/Orphan category do not have a valid certificate/document issued by the respective issuing authority at the time of applying to CSAS(UG)-2026, they will not be considered for allocation in the relevant category as claimed.
6. If the total number of eligible ST category candidates who have applied for particular programme exhausts, then the remaining seats under this category for that particular programme will be allocated to eligible SC category candidates and vice-versa.
7. In case a candidate was allocated a seat under any reserved category/ sub-category and got rejected on the basis of deficiency/ies in the category/sub-category/caste documents, s(he) may be considered for seat allocation in subsequent round/s (if any) in UR seats as per his/her eligibility, merit and availability of UR seats.
8. To minimize the rounds of admissions and to start the academic session on time, the University may do extra allocations in the initial rounds of allocation. While doing so in case a fraction/decimal emerges in the context of seats in a particular programmes/combination, will be rounded to the greater whole number to benefit the student.

CHAPTER – 6

SEAT ALLOCATION AND ADMISSION

On declaration of the allocation result/s, the candidate must login to his/her CSAS(UG)-2026 dashboard for acceptance of the allocated seat, if offered.

It is the responsibility of the candidate to login to the dashboard and check if a seat is allocated in a given round of seat allocation, and if allocated s(he) must complete all admission formalities.

ADVICE

Candidates must check the schedule of activities for admission, which are available on the admission website of UoD (admission.du.ac.in).

6.1: ACCEPTANCE OF THE PROVISIONALLY ALLOCATED SEAT

Once a seat has been allocated in a particular round, the candidate **must 'Accept' the Allocated Seat** before the last date/time specified for the given allocation round. The provision for acceptance of a particular allocated seat will be valid only for the particular round in which the seat was allocated to the candidate.

ADVICE

*To participate in subsequent rounds, candidate **must accept** the allocated seat within the stipulated time.*

In case a candidate is offered multiple seats in a particular round (due to allocation in supernumerary quota), s(he) must "Accept" and take admission in ONLY ONE Allocated Seat.

Inactivity/no-action will be taken as non-acceptance to the Allocated Seat. It will be treated as a decline to the provisionally allocated seat and the candidate will no longer be able to participate in subsequent regular allocation rounds of CSAS(UG)-2026.

The allocated seat must be accepted within the stipulated time. Any request through post/fax/WhatsApp/email/ phone calls will not be considered.

6.2: ONLINE APPROVAL BY THE COLLEGE

Once the candidate "Accepts" the provisionally allocated seat, the concerned college will verify the eligibility and documents uploaded by the candidate online on the CSAS(UG)-2026 portal. The college will verify the following within the stipulated timeline:

1. Minimum eligibility of the candidate.
2. Programme-specific eligibility of the candidate.
3. Subject Mapping: Only those CUET(UG)-2026 Language and/or Domain-specific papers in which the candidate has passed Class XII will be considered.
4. Validity and authenticity of documents/certificates submitted by the candidate.

During the online approval process, if a college seeks more clarity/information from the candidate, it may raise a query to the candidate (refer to Section 6.3-Respond to query).

After verification, the college will either 'Approve' or 'Reject' the provisionally allocated seat of the candidate. No application will be left unattended by the colleges.

6.2.1: In case of Approval:

Once the college accords the approval, the candidate **will have to pay the 'Admission Fee'** (refer to Section 6.4) within the stipulated time.

6.2.2: In case of Rejection:

At the time of online verification, if an application gets rejected, the college will state the reason for rejection. For rejecting an application, the college will indicate any of the following reason/s:

1. Non-fulfillment of the minimum eligibility by the candidate.
2. Non-fulfillment of Programme-specific eligibility by the candidate.
3. Non-fulfillment of the subject-mapping criteria.
4. Not in possession of valid document for OBC-NCL/SC/ST/EWS category
5. Not in possession of valid document with respect to supernumerary category of PwBD/ Orphan/SGC/CW/KM
6. Failure to respond to the query(ies) raised by the college within the stipulated time.

ADVICE

Candidates must regularly check their dashboard and respond to queries (If any) raised by the college within the stipulated time.

6.3: RESPOND TO QUERIES (IF ANY) DURING APPROVALS BY COLLEGES/DEPARTMENTS/CENTRES

During the online approval process, if a college raises query(ies) then the candidate must respond online (through the candidate's dashboard) within the stipulated time. Failure to respond to the query(ies) will lead to rejection of the allocated seat and the candidate will be out of CSAS(UG)-2026.

ADVICE

Candidates must make the payment well in time and not wait for the last date.

6.4: ADMISSION TO THE PROVISIONALLY ALLOCATED SEAT

After the college accords its approval, the candidate **will have to pay the admission fee** for the approved seat. The admission process will be treated as complete only after successful payment realization of the admission fee.

If a candidate fails to pay the admission fee within the stipulated time, it will be considered as a cancellation of the provisionally allocated seat. **The candidate will forfeit all the rights to the allocated seat and will not be considered for any subsequent regular CSAS(UG)-2026 allocation rounds.**

6.5: ONLINE VERIFICATION OF DOCUMENTS

It is advised that all colleges should exercise utmost caution and due diligence while verifying the online documents submitted by candidates during the admission process.

All concerned must:

- thoroughly scrutinise original documents at the time of verification
- cross-verify marksheets, certificates, and other credentials from the website of issuing authorities or the QR code, as the case may be.
- if the documents are in digital format, the same may be cross-checked by scanning the QR Code embedded in the document, or by checking the same through websites such as DigiLocker, eMitra, NCBC, Department of Empowerment of Persons with Disabilities, etc. The Issuing authorities may also be contacted for the purpose of verification.
- report any suspicious or doubtful documents immediately to the competent authority for further investigation.
- keep a record of the verification process for audit and accountability.

This precautionary measure is essential to maintain the integrity and fairness of the admission process. Non-compliance or negligence in this regard will be taken seriously.

CHAPTER – 7

UPGRADE OR FREEZE

All admitted candidates get an opportunity to opt for “Upgrade” or “Freeze” after the successful realization of fees. However, candidates who got their first preference will not get an opportunity for upgrade. The ‘Upgrade’ and ‘Freeze’ options will be available to candidates only after the successful realization of the programme fee and will remain accessible until the closure of the respective allocation round.

7.1: UPGRADE

An admitted candidate can select the 'Upgrade' option, which will allow upgradation to a **higher preference** where s(he) had taken admission. Admitted candidates who opt for upgrade will be upgraded, subject to the availability of seats and as per the allocation policy.

A candidate who opts for 'Upgrade' can also reorder the Programme + College combinations that were higher in preference than the allocated one. This is a one-time facility.

Choosing the ‘Upgrade’ option indicates that the candidate wishes to be considered for admission to a higher ‘Programme + College’ preference in subsequent allocation rounds (if any). If a candidate opts for ‘Upgrade’ and is allotted a seat in a higher ‘Programme + College’ preference as per the allocation policy, the seat currently held by the candidate will be automatically cancelled, and the upgraded seat will be auto-accepted.

ADVICE

Candidates must pay the fees well in time to avail the facility of upgrade within that round.

In such a scenario:

- a. If the fee of the new allocated seat is less or equal to the previously allocated seat, the amount available in the wallet of the candidate will be auto-adjusted.
- b. If the fee of the new allocated seat is more than the previously allocated seat, the candidate must pay the differential amount within the stipulated period. Failure to pay the differential fee will lead to the cancellation of the upgraded seat. Since the previously allotted seat stands automatically cancelled upon upgradation, the candidate will also forfeit the claim to the earlier seat and will no longer be considered for admission in any subsequent allocation rounds, if any.

A candidate who opts for ‘Upgrade’ will continue to be considered for allocation to a higher ‘**Programme + College**’ preference in subsequent regular allocation rounds till s(he) chooses to ‘Freeze’. Candidates are advised to regularly check their dashboard for updates and take timely action, wherever required.

The Programme + College Combination in which s(he) had taken admission earlier will never be offered to the candidate in any subsequent round. Similarly, the Programme + College combinations that were below in the preference order at which the candidate had taken admission earlier will never be offered again to the candidate in any subsequent regular allocation rounds.

The upgrade option will not be available for the candidate who was allocated his/her first preference. The upgrade option will not be available to the candidate who had opted for “Freeze”.

It is the responsibility of the candidate to keep checking for 'Upgrade' options in all rounds of seat allocations. If a candidate fails or misses the opportunity to choose the 'upgrade' option, for whatever reasons, s(he) will not be allowed to participate in the upgradation process and the University of Delhi will not consider any grievance in

this regard under any circumstances.

In case a candidate does not get upgraded, his/her admission to the earlier seat will be retained.

Selecting an upgrade does not mean an assurance of seat in the next/ any subsequent allocation rounds.

Upgradation is subject to:

- a. Programme-specific merit
- b. Order of preference
- c. Availability of seats

ADVICE
<i>Candidates must "Freeze" their admission only if they are satisfied with the allocated seat and do not want to be considered for subsequent allocations.</i>

7.2: FREEZE

A candidate who has taken admission on an allocated seat and desires to continue with it, should submit a 'Freeze' request through his/her dashboard. **On selecting 'Freeze', such a candidate will never be allowed to opt for "Upgradation."**

On selecting 'Freeze', the current admission (Programme + Department/Centre/College) becomes 'frozen' and cannot be changed in any subsequent allocation rounds under any circumstances. Candidate will not be considered for any new allocation.

ADVICE
<i>Once the freeze option has been exercised, a candidate will not be allowed to upgrade.</i>

7.3: CANDIDATES OPTING FOR NEITHER 'UPGRADE' NOR 'FREEZE':

If an admitted candidate neither opts for 'Upgrade' nor 'Freeze' and remains inactive, the admission taken by him/her will be retained and s(he) will not be considered for upgradation.

CHAPTER – 8 SUBSEQUENT ALLOCATION ROUNDS

Based on the availability of the seats that arise due to rejections, cancellations, and withdrawals, the University may announce multiple allocation rounds. UoD will display the vacant seats on its admission website (admission.uod.ac.in) before every allocation round.

All admitted candidates who opt for the "**Upgrade**" option will be considered for the subsequent CSAS(UG)-2026 allocation round/s, subject to availability of seats.

Candidates who were allocated their first preference in a round will not be considered in subsequent round/s of allocation.

CHAPTER - 9

CANCELLATION OF PROVISIONALLY ALLOCATED SEAT/ADMISSION

1. Failure to 'Accept' the provisionally allocated seat within the stipulated timeline will lead to the cancellation of the allocated seat.
2. The provisionally allocated seat will be canceled if a candidate fails to pay the admission fees within the stipulated time.
3. Failure to respond to the query(ies) (if raised on the candidate's dashboard) may lead to the cancellation of allocated seat.
4. The provisionally allocated seat/admission will be canceled if, at any time, any of the document(s)/certificate(s) is/are found to be invalid/ fraudulent.
5. The provisionally allocated seat/admission will be canceled if, at any time, it is found that a candidate does not meet the Minimum Eligibility Criteria as declared by UoD.

A candidate whose provisionally allocated seat/admission is cancelled due to the above-mentioned reasons will forfeit the right to seek admission to UoD.

CHAPTER – 10

WITHDRAWAL OF ADMISSION BY THE CANDIDATE

A candidate who has been admitted to a programme but wishes to withdraw from it can do so through his/her dashboard by selecting the '**Withdraw**' option and paying a withdrawal fee of ₹ **1000.00 (non-refundable)**.

A candidate who withdraws his/her admission will forfeit his/her eligibility for admission to UG Programmes of UoD. No further participation in any of the subsequent regular allocation rounds, if any, will be allowed.

The Withdrawal option will remain suspended on the announcement of the Spot Admission round/s (if any).

The entire admission process for UG Programme is online; therefore, any request sent through post/fax/e-mail/WhatsApp/by hand for withdrawal of admission will not be entertained.

CHAPTER – 11 MID-ENTRY

Through the provision of Mid-Entry, the candidates who either failed to apply for CSAS(UG)-2026 within the stipulated time (during Phase I) or could not complete Phase II, and are desirous of participating in CSAS(UG)-2026 can participate (as and when announced by the University). Such candidate can do so by paying a Mid – Entry fee of ₹**1000.00 (non-refundable)**.

Mid-Entry will only be considered after successful remittance of the Mid-Entry fee through the CSAS(UG)-2026 portal.

A candidate who applies to CSAS(UG)-2026 mid-way will not hold any right to claim the seats allocated to candidates who had applied to CSAS(UG)-2026 during the initial stage. Allocation of seats to such candidates may be considered for subsequent rounds (if any), subject to fulfillment of eligibility criteria, availability of seats, and other CSAS(UG)-2026 rules.

Once the seat has been allocated to the candidate who has applied to CSAS(UG)-2026 midway, it will be mandatory for him/her to take admission on the allocated seat. Failure to accept the allocated seat will forfeit the candidate's right to seek admission to UoD.

Merely applying through Mid-Entry does not guarantee an allocation of seat through CSAS(UG)-2026.

Mid-Entry will not be allowed for ECA, Sports, CW Supernumerary Quotas; Performance-Based Programmes (i.e., B.A.(H) Music, B.Sc. (PE, HE & S)) and Practical-based Programme (i.e. BFA).

CHAPTER – 12

SPOT ADMISSION

After the completion of regular CSAS(UG)-2026 rounds, if seats remain vacant, UoD may announce Spot Round/s of admission.

Candidates who applied for CSAS(UG)-2026 but are not admitted to any College on the date of declaration of the Spot Admission round can participate in Spot Round/s.

Before the announcement of the first Spot Round, all admitted candidates will get an opportunity to opt for upgrade. The vacancy of seats for a Spot Round will be declared after the completion of upgradation process of the candidates who opted for it, subject to the upgradation rules. Upon commencement of Spot Round no upgradation will be done.

On the announcement of a Spot Round, the dashboard of all admitted candidates will be kept in freeze mode and they will neither be considered for upgrades nor be allowed to withdraw their admissions.

The allocation in the Spot Round will be based on the scores of the candidates who apply in the respective Spot Round. Hence, the minimum allocation score of each Spot Round will be independent of all previous rounds.

To be considered in a Spot Admission Round, the candidate will have to opt for 'Spot Admission' through his/her dashboard.

For every Spot Admission round, the University will display the vacant seats of each Programme. A desirous candidate will have to opt for the Programme + College Combination(s) in which s(he) wishes to be considered.

In Spot Admissions, allocations will be done on the basis of the following criteria:

1. Availability of seats
2. Programme-Specific merit
3. Order of Preference of College/s
4. Category
5. Any other allocation rules, policies, or criteria as mentioned in this document (CSAS(UG)-2026), BoI(UG)-2026, or published on the admission website of UoD

It will be mandatory for the candidate to take admission to the seat allocated in a Spot Admission round. Failure to accept the allocated seat in the Spot Admission round will forfeit the candidate's eligibility for admission to UoD and s(he) will be out of CSAS(UG)-2026.

There will be no option of 'Upgrade' and 'Withdraw' during the Spot Admission rounds.

CHAPTER – 13

TIE - BREAKING RULES

In the event of a tie, where two or more candidates have the same CUET(UG)-2026 merit score for a Programme + College combination, the following rules will be applied in the stated order to break the tie:

1. The candidate with a higher percentage of aggregate marks in the Best 3 subjects of Class XII will be given preference.
2. The candidate with a higher percentage of aggregate marks in the Best 4 subjects of Class XII will be given preference.
3. The candidates with a higher percentage of aggregate marks in the Best 5 subjects of Class XII will be given preference.
4. Age of the candidate; preference will be given to the candidate having an earlier date of birth (as mentioned in the Class X certificate).
5. The candidate with a higher percentage of aggregate marks in Class X will be given preference

Note:

1. If the marksheet contains both Class XI and Class XII marks, only Class XII marks will be considered.
2. Any discrepancy in the entry of marks pertaining to the Theory, Practical or Total will be the sole responsibility of the candidate. Incorrect or misinformation provided by the candidate may lead to the cancellation of the allocated seat.
3. If the Class X or/and/or Class XII mark sheet contains CGPA/ Grades, the candidate will have to convert the Grades into equivalent marks/percentages as per the issuing examination board (refer to Annexure II for grade conversion).

CHAPTER – 14 REMITTANCE OF FEE

Admission of a candidate will be deemed confirmed only after the successful realization of the admission fee. The admission fee must be paid only through the candidate's dashboard. If the admission fee is not successfully remitted within the stipulated time, the admission will not be considered complete under any circumstances.

For all payments, candidates should use any of these payment modes: Net Banking/Debit Card/Credit Card /UPI.

14.1 : VIRTUAL WALLET

Upon the successful remittance of the admission fee, a virtual wallet will be created for the candidate.

In case a candidate gets upgraded and the admission fee of the upgraded seat is more than the amount in the virtual wallet of the candidate, s(he) will have to pay the differential amount within the stipulated time. Failure to pay the differential fee amount will be considered as forfeiting the offered seat. This will lead to the cancellation of the allocated seat.

In case the admission fee of the upgraded seat is less than the amount in the virtual wallet of the candidate, it will be auto-debited from the virtual wallet upon receiving approval from the College/Department/Centre.

14.2 : PAYMENT FAILURES

Admission of a candidate is purely provisional and is subject to verification of original documents by the respective College/Department/Centre. The College will recheck all the documents/certificates. During physical verification, if any, document/certificate is found inadequate/insufficient/inappropriate, it will lead to cancellation of the admission, *ipso facto*. Further, such a candidate will forfeit the opportunity for admission to any UG Programme of UoD for the Academic Session 2026-27.

CHAPTER – 17

CHANGE OF CLASS XII PASSING STATUS

The Class XII passing status of a candidate may change (due to re-totaling, re-evaluation, etc.) by the examination board after the closure of CSAS(UG)-2026 application form. The following shall apply consequently to such a revision of passing status only during the seat allocation rounds:

Criteria for marking the certificates (For all Categories Except NCC, NSS)

The marking of certificates is divided into four criteria:

Criterion	Description
A	Participation/prizes in Competitions
B	Training/Examinations
C	Workshops
D	Performance/ Published Works/ Exhibition (Public)

A candidate can score a maximum of 15 marks through certificate evaluation, from any of the given four criteria, with details as mentioned below.

Criterion A: Participation/ Prizes in Competitions:

Sl. No.	Level	Marks			
		1 st Prize	2 nd Prize	3 rd Prize	Participation
1.	International/ National	7	6	5	4
2.	State	4	3	2	1
3.	Zonal/ Inter School	3	2	1	0
4.	Intra-School	2	1	0	0

The above-mentioned marks shall be awarded for solo performance. For a group activity (except for Theatre), 1 mark shall be deducted from the above - mentioned marks for every group activity.

'International/National level' in this criterion can be considered if the candidate has taken part in a recognized internationally/nationally acclaimed level.

Inter-school events organized by schools (even those following Global/ International/ any other curricula of similar nomenclature) that have participation from schools of other states or countries will be considered as being at inter-school level and NOT at the National or International level. Similarly, events organized by any college/university in which the candidate has participated during the relevant schooling years, shall be counted as an inter-school event.

An International event held in India shall be considered valid as long as it fulfills the stated criteria of an International event.

For MUN certificates, (to be evaluated under 'Debate', 'Creative Writing' or 'photography' category), the following mapping shall be considered for the award of certificate marks:

- Best delegate--1st position
- High Commendation/ Commendation/ *Protsahan*--2nd position
- Special mention (any other similar name) --3rd position
- Representing any 'country' in any MUN Committee/ verbal mention/ Chairperson--participation
- Best School – 1st position, but to be considered as a group activity

Note: MUN certificates earned as a 'Journalist' will be considered under 'Creative Writing' ECA category and that as a 'photojournalist' to be considered under the 'Digital Media-photography' ECA category, with the same mapping in both, as above.

Competitions with nomenclature of 'Elocution', 'Speaker Session', 'Youth Parliament' etc. are to be counted under 'Debate' ECA category.

Criterion B : Training/ Examinations

Sr. No.	Level	Marks			
		Less than 1Year	1 to 2 Years	2 to 3 Years	>3 years
1.	Training under Guru/Ustad/Institution	1	2	3	4
2.	Examinations with passing certificate	1	2	3	4

If a candidate has received training in multiple related activities (for instance, if a student has received training in

Hindustani Vocal as well as Carnatic Vocal), the same marking scheme shall be adopted for each training activity and the marks will be added.

For marking the certificates, the highest level of examination passed by the candidate in that particular system of exams will be considered. For example, if a student has a certificate from Gandharva for 1st year as well as 2nd year, then only the 2nd year examination certificate will be considered.

If the candidate has passed the examination and has also undergone training for the same activity for a given number of years, then only one of the two, in which the student has scored a higher mark, shall be considered.

CCRT scholarship certificates/ awards may be considered for marks under this criterion (Examination section). However, the CCRT scholarship should be in the stipulated form as issued by CCRT.

Criterion C: Workshops

Sr.No.	Workshop Duration	Marks
1.	Less than 1 week	0
2.	1 week	1
3.	More than 1 week	2

Criterion D : Public Performance/ Published Work/ Exhibition (Public):

Sr.No.	Nature of performance	Marks
1.	Group Activity	1
2.	Solo Activity	2

The following points are to be noted for being considered as ‘Public Performance’:
