

Inter College Workshop for Lab Staff

Three days inter college workshop from 13th July to 15th July 2022 for science laboratories staff has been organized by Department of Chemistry, Gargi college under the aegis of IQAC. Overall, 54 participants registered from the various colleges, institutes of Delhi for the workshop. Workshop was aimed to enrich and update with the laboratory and IT skills along with their physical fitness via simple yoga. Workshop includes the following training sessions:

- Waste Management in labs
- Analytical Skills
- First Aid Action
- IT Skills- MS Word & Excel
- Physical Fitness with Yoga and Meditation
- Preparation of Reagents and Solutions
- Instrumentation: Operation and Maintenance of general instrumentation
- Fun activity in labs
- Fire Safety Measures
- Hazardous Chemicals: Ways to Deal

Each day of workshop begins with Yoga, meditation and stress management followed by the lectures and training sessions by the invited Scientists from JNU, DRDO and experienced faculty of Gargi college. They were trained for IT skills in the computer lab with general hands-on MS word, writing mails, use of excel spread sheet. Mr. Duggal, AD Fire Safety Station, Delhi had trained the participants for fire safety and usage of various cylinders under various conditions. As well for general instrumentations such as colorimeter, potentiometer, conductometer, pH meter and management of electrodes, participants were trained in the analytical lab, department of Chemistry. Workshop ends with the interactive session with Director, USIC Delhi.
