MESSAGE FROM THE PRINCIPAL

From play school to a formal school and then to college, a journey towards edification, attaining knowledge and skills, these are a few initial pedestals. You have completed this phase with great achievements and beautiful memories. That's good! May the rest of your journey be blessed with success, contentment and a bright future.

Remember to use the knowledge that you have earned with wisdom and be courteous always. The following lines are dedicated to you all:

जानेवालेकोजानेदो, इनकेजानेकागमनाकरो।

रास्ते मैं बिखरे सितारो को चुनने दो,

रोक कर इन्हे, अपनी आँखे नम ना करो।

कल जब लोट कर आयेंगे यह सर उठाये हुये,

हम भी करेंगे स्वागत इनका, खुद पर ही इतराते हुये।

इनके सपनों को कम ना करो, इनके जाने का गम ना करो।

जाने दो इनको प्यार से, इनके जाने का गम ना करो।

May God bless you all!

Dr. Promila Kumar

MESSAGE FROM THE TEACHER-IN-CHARGE

To the Batch of 2018

As we bid you adieu, I am honoured to say that we are proud of your many achievements over the last three years as well as your various accomplishments in almost all curricular and extracurricular activities.

My fellow colleagues and I appreciate the sincerity you have demonstrated towards your studies, in your relationships with the teachers, the junior students and even among yourselves.

My dear students, as you leave the college, expect some challenges to await you. I strongly believe, going by your antecedents and the manner in which you have conducted yourselves over the years and the skills and knowledge we have imparted to you, that you will surely overcome them.

At this point, I want to implore, my dear outgoing students, to always see yourselves as good ambassadors of this college and never allow selfish interests to blemish the integrity you have nurtured over the years in this college. Be kind and good to people you meet on your way up. Think big thoughts and be optimistic in whatever you are doing.

On behalf of the Department of Commerce, I bid you farewell and wish you best of luck in your days ahead. May god bless you all.

My fondest memory of Gargi College is meeting the four amazing people that made the journey of life bearable for three years. This Red building will always be remembered along with all the fests and celebrations that used to take place every year. I have made memories that are never getting dull even after years and I will cherish them forever.

Gargi college has one of the best memories I made in my life. I make many friends during college time. During college time we study together and we have fun together. Gargi college fest is one of the best in DU colleges. I really gained a lot from this college.

Gargi is a very nice college. I had great fun here, made very good friends and saw a lot of extracurricular activities happening around. The best experience was when Urveshi Rottela came to our college and performed on the stage. It was a memorable moment for me.
