MESSAGE FROM THE TEACHER-IN-CHARGE

 PLAY

+ MY LIST

Dear Students,

As I extend my heartfelt congratulations to the graduating class, I'm reminded of the remarkable journey we've shared. Our collective experiences over the past year mirror the diversity and unpredictability found in a Netflix series - filled with a tapestry of stories, surprising twists, and moments that will stay with us forever. Much like scrolling through Netflix's vast catalog, our time together has been a treasure trove of cherished memories, each one adding depth and richness to our shared narrative.

As you embark on new chapters in your lives, I encourage you to carry with you the invaluable lessons learned, the enduring friendships forged, and the personal growth achieved during your time here. Just as every episode of a beloved series leaves a lasting impression, may the experiences you've had here serve as a foundation for your future endeavors. I offer my best wishes for the journey ahead. May your future be as radiant and full of promise as the screen of your favorite Netflix show with a happy ending, and may you continue to embrace life's adventures with the same enthusiasm and curiosity that you've shown during your time with us. Congratulations, graduates, and may your paths be filled with success, fulfillment, and endless possibilities.

Best wishes !

(Prof.) Dr. Sonali Ahuja Dua
Teacher-in-charge.
