

## Alumni Connect

Harvesting connections with alumni, in recent years, alumni are assisting the college by conducting sessions for the students of their alma mater to offer their experiences and practical advice. This is in addition to the Placement cell's assistance in helping alumni find employment. Few of the events are briefly mentioned below.

1. Lakshita Arora and Shreya Jolly shared their experience and advice to aid students in their interviews preparations back in 2019.

2. Session conducted by Vanshika Agarwal to share her experience and tips for D.E. Shaw applicants.
