| <b>WEDNESDAY</b>      | Cell Biology: Organelles and Biomolecules<br>(PP+JD+GM)<br>(BL1)                  |                                 |                                   |                                  | DSC2<br>RG (BL1)               | GE   |                                 |                                 |                                |
| <b>THURSDAY</b>       |   |                                 | DSC3<br>PK (20)                   |                                  |                                |  | GE                              | SEC                             |                                |
| <b>FRIDAY</b>         | VAC   |                                 |                                   |                                  | DSC3<br>PP<br>( BL1)           | Bot I Plant Diversity and evolution<br>(GP/RMI+SC+NS)<br>(BL1+BL2) |                                 |                                 |                                |
| <b>SATURDAY</b>       | SEC I<br>Biofertilizers (NC+AK) BL1   |                                 |                                   |                                  | DSC1<br>GS (34)                | AEC<br>EVS2 (PA)   |                                 |                                 |                                |

DSC1 Plant Diversity and evolution

DSC 2 Cell Biology: Organelles and biomolecules

DSC 3 Basic laboratory and field skills in Plant Biology

AM - Prof. Aparajita Mohanty

PP - Dr. Priyanka Pandey

JD - Dr. Leisan Judith

GP -Dr. Geeta Prabhakar

RMI - Dr. Reema Mishra

RG - Ms. Ruchitra Gupta

GS - Dr. Garvita Singh

SC- Dr. Samira Chugh

GM - Dr. Gladys Muivah

PA - Dr. Preeti Agarwal

NS- Dr. Neha Singh

PK- Dr. Pritam Kaur
